magnesium filaments for lighting; reverse osmosis membrane filters for water treatment; filters for air conditioning; filters for drinking water; hearths; fountains; furnaces, other than for laboratory use; cooking rings; microwave ovens for industrial purposes; dental ovens; kitchen ranges [ovens]; bakers' ovens; solar furnaces; air fryers; deep fryers, electric; refrigerators, cooling apparatus and freezers for medical storage purposes; forges, portable; toilets [water-closets]; acetylene generators; microbubble generators for baths; adsorption apparatus for generating gas; membrane apparatus for generating gas; steam boilers, other than parts of machines; ornamental fountains; cool boxes, electric; fairy lights for festive decoration; rotisseries; lamp globes; roasting apparatus; watering installations, automatic; ash conveyor installations, automatic; bath installations; air-conditioning installations; air conditioners for vehicles; water conduits installations; water distribution installations; lighting installations for air vehicles; polymerisation installations; steam generating installations; cooling installations for tobacco; heating installations; cooling installations and machines; sea water desalination plants; air filtering installations; milk cooling installations; processing installations for fuel and nuclear moderating material; water purification installations; purification installations for sewage; water supply installations; sauna apparatus; incinerators; floor lamps; curling lamps; lamps; nail lamps; light bulbs, electric; incandescent light bulbs; street lamps; lanterns for lighting; chinese lanterns; wash-hand basins [parts of sanitary installations]; sinks; running lights for vehicles; fabric steamers; coffee percolators, electric; watering machines for agricultural purposes; fog machines; autoclaves, electric, for cooking; membranes for water filtering apparatus; membranes for reverse osmosis units; brackets for gas burners; luminous house numbers; lamp shades; pasteurisers; cooking pots, electric; electric cooktops; heat guns; ceiling lights; heat pumps; sockets for electric lights; lampshade holders; laser light projectors; radiators, electric; cooling installations for liquids; nuclear reactors; refrigerating containers; heat regenerators; refrigerators; chimney blowers; lamp mantles; lamp reflectors; vehicle reflectors; air reheaters; oven fittings made of fireclay; fittings, shaped, for furnaces; anti-splash tap nozzles; spigots; footmuffs, electrically heated; beverage urns, electric; defrosters for vehicles; bathroom heaters; water heaters; heaters for heating irons; bed warmers; usb-powered hand warmers; footwarmers, electric or non-electric; heaters, electric, for feeding bottles; plate warmers; pocket warmers; hot water bottles; heat exchangers, other than parts of machines; water flushing installations; pressure water tanks; coils [parts of distilling, heating or cooling installations]; hydroponic growing systems; fans [parts of air-conditioning installations]; roasting spits; sterilizers; wicks adapted for oil stoves; stoves [heating apparatus]; kiln furniture [supports]; tajines, electric; electrically heated carpets; radiator caps; electrically-heated mugs; thermo-pots, electric; head torches; electric torches; roasters; refining towers for distillation; bread toasters; discharge tubes, electric, for lighting; lamp chimneys; heat-stabilized polypropylene pipes for heating installations; luminous tubes for lighting; boiler pipes [tubes] for heating installations; drip irrigation emitters [irrigation fittings]; humidifiers; membrane filtration units for water treatment apparatus; reverse osmosis units; level controlling valves in tanks; thermostatic valves [parts of heating installations]; steam facial apparatus [saunas]; spa baths [vessels]; bath tubs; coolers for furnaces; expansion tanks for central heating installations; fans [air-conditioning];

refrigerating display cabinets; heated display cabinets; lamp glasses; electric appliances for making yogurt.

Cl.14;Wristwatches; clocks; precious stones; earrings; boxes of precious metal; cuff links; bracelets; watches; chronographs and chronometers; raw gems; diamonds; coral jewellery; emeralds; sapphires; ruby; opal; topaz; aquamarine; rings [jewellery]; necklaces [jewellery]; decorative pins of precious metal; ornaments (shoe —) of precious metal; pearl; jewllery boxes of precious metal; pins; pins [jewellery]; tie clips; watch bands; jewellery; paste jewellery.

Cl.18;Pocket wallets; handbags; trunks [luggage]; suitcases; beach bags; make-up bags, not fitted; boston bags; handbags; travel baggage; card wallets [leatherware]; card cases of leather; leather credit card holders; conference folders made of leather; leather key cases; sports bags: multipurpose sports bags, bags for sports and bags for climbers, namely rucksacks and haversacks; evening and shoulder bags for ladies; shopping bags made of skin; school book bags; travel garment covers; shoe carriers for travel; nappy bags; travelling cases; canvas bags; overnight bags; school bags; formal handbags; vanity cases (not fitted); worked or semi-worked hides and other leather; cases made of leather, boxes made of leather; briefcases [leather goods]; straps made of leather; umbrellas; leather leashes.

Cl.20;Cupboards; coatstands; work benches; benches [furniture]; counters [tables]; coffins; bins, not of metal; dinner wagons [furniture]; costume stands; trolleys [furniture]; placards of wood or plastics; boxes of wood or plastic; drawers [furniture parts]; tool chests, not of metal, empty; chests of drawers; baskets, non-metallic; console tables; picture frames; kennels for household pets; bassinets; cushions; divans; display stands; door fasteners, not of metal; legs for furniture; clothes hooks, not of metal; curtain hooks; pillows; signboards of wood or plastics; lecterns; beds; bookcases; mannequins and tailors' dummies; door handles, not of metal; camping mattresses; school furniture; inflatable furniture; office furniture; house numbers, not of metal, non-luminous; works of art of wood, wax, plaster or plastic; wickerwork; furniture partitions of wood; screens [furniture]; table tops; armchairs; footstools; knobs, not of metal; towel stands [furniture]; bottle racks; hat stands; split rings, not of metal, for keys; book rests [furniture]; umbrella stands; magazine racks; plastic ramps for use with vehicles; shelving units; ladders of wood or plastics; step stools, not of metal; writing desks; desks; deck chairs; seats; high chairs for babies; valet stands; footstools; sofas; mirrors (silvered glass); statues of wood, wax, plaster or plastic; sleeping pads; corks for bottles; numberplates, not of metal; drafting tables; tables of metal; trolleys for computers [furniture]; indoor window blinds of textile; vats, not of metal; trays, not of metal; hand-held flat fans.

Cl.21;Napkin rings; bottle openers, electric and non-electric; cutting boards for the kitchen; drinking glasses; tankards; bottles; coffeepots, non-electric; shoe horns; decanters; window-boxes; flasks; signboards of porcelain or glass; majolica; table plates; powder compacts; knife rests for the table; soap holders; towel holders; salt cellars; coin banks; coffee services [tableware]; ice buckets; portable cool boxes, non-electric; liqueur sets; tea services [tableware]; spice sets; cruet sets for oil and vinegar; baking mats; cups; kitchen utensils; utensils for household purposes; toilet utensils; holloware; trays for household purposes; sugar bowls; pepper mills, hand-operated; corkscrews, electric and non-electric; cool bags for foodstuffs or beverages; wicker baskets for household purposes.

Cl.24;Face towels of textile; towels of textile; bath linen, except clothing; linens; bed clothes and blankets; table linen, not of paper; brocades; tablemats of textile; lap rugs; blankets for household pets; labels of textile; handkerchiefs of textile; pillowcases; covers for cushions; flags of textile or plastic; sheets [textile]; sleeping bag liners; drugget; eiderdowns [down coverlets]; table runners, not of paper; sleeping bags; baby buntings; coasters of textile; banners of textile or plastic; woven fabrics; oilcloth for use as tablecloths; curtains of textile or plastic; shower curtains of textile or plastic; textiles; place mats of textile; table napkins of textile; bed covers.

Cl.25;Jackets [clothing]; sweaters; trousers; skirts; dresses; coats; overcoats; parkas; shirts; underwear; bathing suits; dressing gowns; shawls; scarves; cravats; shoes; heels; beach shoes; gymnastic shoes; boots; ski boots; half-boots; sandals; bath sandals; visors [headwear]; leather jackets; trousers of leather; leather belts; waist belts; quilted jackets; overcoats; denim jeans; cardigans; evening wear; short-sleeve shirts; sweat shirts; maillots [hosiery]; polo shirts; blazers; casual shirts; galoshes; galoshes; basketball sneakers; rugby boots; boxing shoes; baseball shoes; running shoes; working shoes; hockey shoes; handball shoes; winter gloves; coats made of leather; leather skirts; leather tops; leather raincoats; long coats of leather; overcoats of leather; braces of leather; dresses; cloaks; raincoats; pullovers; undershirts; chemises; baby doll nighties; dressing gowns; swimwear; negligees; evening wear; one-piece garments; two-piece dresses; neck ties; men's suits; dress shirts; leotards; short trousers; athletic shoes; slippers; covers for shoes; low-heeled shoes; leather boots; clogs; fishing shoes; dress shoes; walking shoes; varnished shoes; inner soles; soles for footwear; footwear.

uppers; heels for boots and shoes; non-slipping pieces for shoes and boots; footwear (tips for -); rainshoes; straw shoes; apres-ski shoes; football shoes; lace boots; espadrilles; gloves [clothing]; skin gloves; fingerless gloves; hats and caps; hats and caps of leather; clothing.

Cl.35;Organization of fashion shows for promotional purposes; shop window dressing; direct mail advertising; providing business information via a web site; commercial information and advice for consumers in the choice of products and services; organization of exhibitions for commercial or advertising purposes; presentation of goods on communication media, for retail purposes; sales promotion for others; commercial intermediation services; provision of an online marketplace for buyers and sellers of goods and services; retail and wholesale services in relation to the following goods: perfumes and cosmetics, clothing, footwear, headgear, spectacles, clocks and jewellery, stationery and stationery, hide articles, namely, bags, card holders, pocket wallets, key wallets, purses, travelling bags, back packs and knapsacks, briefcases, boxes, restraints, leads, cutlery, dinner forks and spoons, lighting apparatus and installations; retail and wholesale services in relation to the following goods: apparatus for heating, cooling, steam generating, cooking, drying, ventilating, water supply and sanitary purposes, furniture, mirrors, picture frames, household and kitchen utensils and containers, combs and spongers, glassware, porcelain and earthenware, household linen, camping tents; online sale in relation to the following goods: perfumes and cosmetics, clothing, footwear, headgear, spectacles, clocks and jewellery, stationery and stationery, hide articles, namely, bags, card holders, pocket wallets, key wallets, purses, travelling bags, back packs and knapsacks, briefcases, boxes, restraints, leads, cutlery, dinner forks and spoons, lighting apparatus and installations; online sale in relation to the following goods: apparatus for heating, cooling, steam generating, cooking, drying, ventilating, water supply and sanitary purposes, furniture, mirrors, picture frames, household and kitchen utensils and containers, combs and spongers, glassware, porcelain and earthenware, household linen, camping tents.

[International Registration No. : 1844998]

Zum Services, Inc.

275 Shoreline Drive, Suite 200 Redwood City CA 94065 United States of America

Proposed to be Used

IR DIVISION

Cl.9;Downloadable computer software, downloadable mobile application software, and downloadable computer application software for mobile devices and computers, all for coordinating transportation services, managing transportation operations, vehicle fleet management, providing driver and passenger information, providing communication between users, monitoring vehicle safety and driver performance, tracking and sharing vehicle locations, tracking passenger attendance, optimizing routes, optimizing charging schedules, and providing vehicle-to-grid orchestration and support.

Cl.35;Promoting public awareness in the fields of sustainable transportation, transportation safety, student transportation, renewable energy, energy trading, electric vehicles, semi-autonomous and autonomous vehicles; promoting the exchange of information and resources within the scientific research community and the technology industry to achieve advances in the fields of sustainable transportation, transportation safety, student transportation, renewable energy, energy trading, electric vehicles, semi-autonomous and autonomous vehicles; promoting public awareness on public policy in the fields of sustainable transportation, transportation safety, student transportation, renewable energy, energy trading, electric vehicles, semi-autonomous and autonomous vehicles; business operation consultancy; business advisory and management services in the field of transportation logistics, route optimization, vehicle-to-grid technology, electric power grid efficiency and energy trading;

compilation of information about route optimization, vehicle-to-grid technology, energy trading, electric energy use and electric power grid efficiency into computer databases; business consultancy and research in the fields of energy trading, enabling the cost-efficient use of electricity during non-peak hours and for maximizing use of renewable energy; collection, compilation and processing of data relating to energy and electricity consumption, production, generation, storage, transmission, supply and distribution, electric batteries and batteries in electric vehicles; collection, compilation and processing of data relating to the electrical grid; database management in the field of energy and electricity consumption, production, generation, storage, transmission, supply, trading and distribution; provision of consumer product information in the field of electric vehicle monitoring, management, and control for energy usage monitoring and management purposes via an internet website portal; provision of consumer product information relating to reports regarding electric vehicle battery charging history and optimized charging schedules.

Cl.36;Energy brokerage services; financial services in the nature of energy trading; Energy trading and energy financial risk management services, namely, financial forecasting of electric energy load requirements.

Cl.38;Telecommunication services, namely, transmission of text, images and information by telecommunications networks, wireless communication networks, and the Internet; telecommunications services, namely, providing text notification alerts.

Cl.39;Bus and van charter services; bus, van and car rental services; bus and van shuttle services; providing information about sustainable transportation, transportation safety, student transportation, renewable energy, electric vehicles, semi-autonomous and autonomous vehicles; providing transportation information about sustainable transportation, transportation safety, student transportation, renewable energy, electric vehicles, semi-autonomous and autonomous vehicles; transportation consulting; Energy storage and management services, namely, storing, transmitting and distributing electrical energy; Providing energy storage facilities for others; Technical operation of energy storage installations for others for the purpose of physical storage and later distribution; Provision of information, advice and consultancy services relating to electrical energy distribution, transmission and storage; Transportation services, namely, arranging transportation of passengers by automobiles, vans and buses; Transportation of passengers via automobiles, vans and buses.

Cl.41;On-line publication of blogs and non-downloadable publications in the nature of articles in the fields of sustainable transportation, transportation safety, student transportation, renewable energy, energy trading, electric vehicles, semi-autonomous and autonomous vehicles; providing non-downloadable webinars in the fields of sustainable transportation, transportation safety, student transportation, renewable energy, energy trading, electric vehicles, semi-autonomous and autonomous vehicles; providing online electronic publications, not downloadable in the nature of electronic newsletters in the fields of sustainable transportation, transportation safety, student transportation, renewable energy, energy trading, electric vehicles, semi-autonomous and autonomous vehicles.

Cl.42;Software as a service (SaaS) services featuring software for coordinating and arranging transportation services, managing transportation operations, vehicle fleet management, providing driver and passenger information, communicating with users, monitoring vehicle safety and driver performance, tracking and sharing vehicle locations, tracking passenger attendance, optimizing routes, optimizing charging schedule, and providing vehicle-to-grid orchestration and support; Software as a service (SaaS) services featuring software for energy trading; Providing temporary use of online non-downloadable software for analyzing, controlling and optimizing energy trading and revenue reporting; Software as a service (SAAS) services featuring software for real-time optimization and bidding in the field of energy trading; Software as a service (SAAS) services featuring software used to provide real-time data, information and analyses that facilitate decision making processes on transactions in the power and energy trading business; vehicle-to-grid integration; providing on-line non-downloadable software for the management, monitoring, and analysis of electric vehicle use and electricity consumption; providing on-line non-downloadable software for the management, monitoring and analysis of electricity supply and analysis of vehicle charging; providing online non-downloadable software featuring technology enabling users to remotely monitor, manage, and control users' electric vehicles battery charge and maintenance schedules; Engineering services, namely, engineering, development and design of renewable energy facilities and energy storage facilities; Computer services, namely, diagnostic monitoring and reporting on the performance of renewable energy facilities; Technology planning and consulting in the fields of vehicle-to-grid technology, renewable energy and energy storage; research in the field of vehicle-to-grid technology, renewable energy, energy generation, and energy storage.

Cl.9;Laboratory and scientific research apparatus, educational apparatus and simulators; devices, instruments and cables for electricity; recorded content; navigation, guidance, tracking, targeting and map making devices; devices for safety, security, protection and signaling; audiovisual and information technology equipment; measuring, detection and monitoring instruments, indicators and controllers; optical correctors, amplifiers and devices; processing apparatus using electricity; teaching apparatus; audiovisual teaching apparatus; ejector seat use training apparatus; biometric identification apparatus; weather information apparatus; automatic chromatography apparatus; chromatography apparatus for laboratory use; chromatography apparatus for laboratory or scientific use; particle classifying apparatus; cell culture apparatus for laboratories; diagnostic apparatus for testing food; ultrasonic diagnostic apparatus for laboratory use; diffraction apparatus [microscopy]; apparatus for fermentation [laboratory apparatus]; geophysical apparatus; ultrasonic cleaning apparatus [scientific apparatus]; apparatus for geophysical research; radioisotope apparatus other than for medical use; vacuum apparatus for laboratories; databases (electronic); media content; software; game software; firmware; computer operating systems; downloadable computer software applications; cartridges for computers [software]; compilers; computer interfaces; software for computer-aided software engineering; financial management software; desktop publishing software; gesture recognition software; software for optical character recognition; software for managing financial transactions; software relating to financial history; computer software designed for estimating costs; software designed to evaluate the required resources; software for assistance with the design of sports equipment; application software; computer application software; computer application software for mobile telephones; software for industrial automation; software for authorizing access to databases; computer screen-saver software; screensavers; LAN operating software [local network]; universal serial bus [USB] operating software; computer software for operating virtual private networks [VPNs]; operating software for WAN [wide area network]; graphical user interface software; control segment integration software; personal computer software for the management of document verification systems; personal computer software for document verification systems; software for organizing general meetings; process control software; e-commerce software; communication software; software for communicating with users of mobile computers; data communication software; software for communication between microcomputers; software for communication between computers via a local network; compiler software; music composition software; data compression software; inter-network accounting software in the field of telecommunications; microwave engineering design software; software for monitoring the environment, access and security of buildings; software for monitoring the operation of audio and video devices; software for time control; software for checking and improving the sound quality of audio equipment; access server control and management software [applications]; control software for computer printers; software for creating fonts; decoding software; database management software; printer spool management software; computer game software for use on mobile and cellular phones; game software downloadable via a global computer network; software for wireless content delivery; interactive entertainment computer software; software for maintenance and operation of computer system; online messaging software; search engine software; satellite image photo-interpretation software; font software; electronic publishing software; software for recognition of fingerprints or palm prints; software for debt recovery; table representation software; virtual reality software; Simulation software for digital calculators; automatic data storage software; software for biometric systems for the

identification and authentication of people; security software for credit card transactions; computer software for keeping email secure; digital image processing software; computer software for processing images, graphics and text; data processing software for word processing; data processing software for graphic representations; credit check software; software for medical decision support systems; software intended for dosimetry in the field of radiotherapy; software for document management; software for use in fax machine programming; digital telephone platforms and software; graphics software for computers; application and integration software for databases; computer software for creating databases used for searching for information and data; telephony computer software; interactive software; software for enhancing the audiovisual capabilities of multimedia applications, namely for integration of texts, sounds, graphics, still and moving images; software for controlling access to computers; computer software enabling the playing of games; software for the transmission of photographs to mobile telephones; driver software; software for analyzing market information; software for the optimization of audio-visual capabilities of multimedia applications; computer software for organizing and viewing digital images and photographs; educational software; educational software for children; UPI [universal peripheral interface] software; software [recorded programs]; computer software for creating dynamic websites; software for creating and editing music and sounds; software for database management; software for spreadsheet management; software for the operational management of portable magnetic and electronic cards; software for reading remote measuring apparatus; software for migration between various computer network operating systems; software for producing financial models; data search software; software for monitoring remote measuring devices; software for commerce over a global communications network; software for audibly controlling a computer and the operation thereof; software for monitoring self-service terminals; software for encryption; software for processing digital music files; software for semiconductor wafer processing; software for processing market information; software for card readers; software for access to information directories that can be downloaded on a global computer network; software for scanning images and documents; software for interactive television; downloadable software from global computer networks; software downloaded on the Internet; interactive video software; monitors [computer programs]; computers for managing airplane control devices; software development tools; software platforms; computer software packages; integrated software packages for laboratory automation; encoded programs; computer programs [downloadable software]; data processing programs; computer programs for image processing; computer programs for network management; computer programs in connection with financial data; computer programs relating to local area networks; interactive multimedia computer programs; computer programs for access or entry control; computer programs for pre-recorded games; computer programs for accessing and using the Internet; computer programs for editing images, sounds and videos; computer programs for user interface design; computer programs for project management; computer programs for telecommunications; computer programs for searching computers content and computer networks by remote control; computer programs for interactive television and for interactive games and/or quizzes; computer programs stored in digital form; computer programs for data processing; machine-readable computer programs for music reproduction; computer programs allowing the use of the Internet and the Web; computer programs for computer games and video games; computer programs for connecting remotely to computers or computer networks; computer programs for electronic cash register systems; utility computer programs [programs performing computer maintenance]; computer programs; electronic wall boards; electronically recorded data; recorded data [magnetic]; magnetic recordings; recordings on optical disks; recorded data files; exposed X-ray films other than for medical use; prerecorded audio tapes; prerecorded video tapes featuring music; pre-recorded audio cassettes featuring music; recorded cassettes; pre-recorded video cassettes featuring music; prerecorded DVDs featuring music; animated cartoons; cartoons in the form of motion pictures; discs [sound recordings]; compact discs containing music; recorded discs containing images; recorded discs containing sound; computer documentations in electronic form; audio recordings; musical audio recordings; audio-visual recordings; downloadable musical sound recordings; musical recordings in the form of discs; music recordings on tapes; video recordings; musical video recordings; downloadable image files; cinematographic film, exposed; cinematographic films; exposed films.

Cl.11;Lighters; regulating and safety accessories for water and gas installations; tanning apparatus; burners, boilers and heaters; conduits and installations for exhaust gas extraction; drying installations; industrial treatment installations; nuclear installations; sanitary installations, water supply and sanitation equipment; personal instruments for drying and heating; lighting and reflectors for lighting; equipment for heating, ventilation, air conditioning and purification [ambient air]; equipment for heating, cooking, cooling and processing of food and beverages; refrigerating and freezing equipment.

Cl.35;Business assistance and management services and administrative services; analysis, research and information services relating to business; commercial negotiation and customer information services; advertising, marketing and promotional services; accounting, book-keeping and auditing; office machine rental; business consulting and advisory services; human resources management and personnel recruitment services; secretarial services; administrative data processing; company acquisition; commercial administration; commercial administration in the field of transport and delivery; business administration in the field of business evaluation; business administration relating to statistical methods; administration relating to marketing; commercial business administration; administration of the business affairs of franchises; administration of the business affairs of retail stores; foreign business administration; business administration of performing artists; administration relating to business planning; administration relating to sales methods; assistance for organizing company matters; business management assistance; management assistance during the setting up of commercial businesses; management assistance for industrial organizations; business management assistance; company management assistance; commercial or industrial company management assistance; archiving (input, collection and systemization of data) for companies; professional archiving of documents; archiving for companies; assistance to commercial companies with respect to management of their business; assistance for companies relating to the training of business entities; assistance to companies relating to franchising; assistance to industrial companies regarding the conducting of their business; assistance to industrial or commercial companies regarding the management of their business; commercial assistance to companies relating to operations; commercial assistance in setting up franchises; commercial assistance in business management; assistance in commercial management in the framework of a franchise agreement; assistance regarding commercial franchise management; commercial company management assistance; assistance in business administration; assistance relating to business management or commercial activities for industrial or commercial companies; management assistance; assistance with respect to commercial management for industrial or commercial companies; assistance in commercial planning; assistance for the operation or management of commercial companies; management consultancy with respect to personnel recruitment; management advice for the placement of personnel; industrial management consultancy, including cost to performance analysis; development of hospital management systems; business organization appraisals (commercial analysis); operation of commercial businesses for others; business operation for others; operation of a telephone switchboard for others; provision of business information; providing outsourcing services in the field of managing customer relations; administrative management of healthcare clinics for others; outsourced administrative management of companies; commercial management; commercial management of hotels for third parties; commercial management of sports installations for others; commercial management of a transportation fleet for others; commercial management of a fleet of vehicles for others; commercial management in the field of transport and delivery; commercial management of shops; business management of reimbursement programs for others; commercial management of gas stations for others; computerized commercial management for third parties; business management for commercial and service enterprises; business management for professional athletes; business management for sports people; retailing company management for third parties; corporate management, including assistance in demographic matters; management of an airline; administrative management of hotels; management of commercial offices for others; computerized office management; management of telephone call centers for others; business project management; commercial project management for others; restaurant management for others; commercial business management; management of employee share ownership mechanisms; management and administration of commercial companies; commercial management and consultancy relating to marketing activities; commercial consultancy and management relating to launching of new products; hospital management; provisional management of jobs and skills; commercial information relating to sales methods; information relating to commercial and business contacts; negotiation of commercial transactions for artists; business transaction brokerage for others; business organization; organization of presentations for commercial purposes; organization of business meetings; arranging telephone reception services and telephone reception for others; business management organization; planning concerning business management, namely, searching for partners for mergers and acquisitions, as well as for company creation; business strategy planning; business management for freelance service providers; preparation of project studies in the field of commercial matters; preparation of commercial documents; preparation of audio and/or video presentations for companies; preparation of economic reports; preparation of annual tax returns for commercial companies; writing of reports on commercial projects; administrative assistance service for establishing a network of professional contacts; commercial services in relation to the arrangement of joint ventures; commercial services relating to the establishment of companies; business administration services for the processing

of sales made on the Internet; airport administration services; agency services for organizing commercial presentations; business assistance services; commercial assistance services for franchise operation; commercial assistance services for the setting up of franchises; business assistance services to companies; company efficiency expert services; business appraisal services; commercial information and consultancy services; commercial intermediation services; study services in the field of commercial projects (or commercial affairs) relating to energy management; business risk assessment services; business intelligence services (economic monitoring services); advisory services relating to mergers and acquisitions; advisory and management services regarding work processes; business merger services; commercial management services; commercial management services with respect to company acquisitions; commercial management services with respect to company development; commercial project management services in the framework of construction projects; commercial risk management services; hotel management services for others; planning services relating to commercial business management; planning and commercial strategy services; planning services for companies; market report services; commercial representation services; telephone answering services for others; telephone answering for unavailable subscribers; business networking services; outsourcing services [business assistance]; business strategy services; clerical services (office functions); services provided by a franchiser, in particular, assistance in operation or management of industrial or commercial companies; sales volume tracking for others; commercial supervision; supervision of companies for others; commercial business management supervision; office functions; commercial office functions.

Cl.39;Distribution by pipeline and cable; packaging and storage of goods; vehicle parking and storage, mooring; transport services; pipeline and cable distribution; packaging and storage of goods; supply of water; water supply via pipeline; gas supplying [distribution]; supply and distribution of electricity; heat supply [distribution]; heating supply [distribution]; supplying water via ducts [transport]; sewage collection via public sewers; water distribution for agricultural use [transport]; water distribution for household purposes [transport]; water distribution for industrial use [transport]; electricity distribution; electricity distribution by cables; distribution of energy; distribution of heat; gas distribution; distribution of petroleum or gas via pipeline; electricity distribution and transmission; water supply and distribution; provision of utilities to moored vessels; water supply services by pipeline; transport services by sea; public water supply services; public electricity distribution services; public natural gas distribution services; transport of water by pipeline; transport of heavy fuel oil; transport of fluids by pipeline; transport of natural gas; transport of gas by pipelines; transportation of dry gas; transport of oil (petroleum); transport of crude oil; transport of oil by pipeline; transport by pipelines.

Cl.40;Copying of audio and video recordings; printing, and photographic and cinematographic development; production of energy; manufacturing and assembly services for others; air and water purification and conditioning services; food and beverage processing [preserving or freezing]; food and beverage processing [preserving or freezing]; air and water purification and conditioning services; manufacturing and assembly services for others; production of energy; copying of audio and video recordings; duplication of video cassettes; duplication of video discs; reproduction of audio tapes; reproduction of recording tapes; reproduction of audio discs; reproduction of films; reproduction of motion pictures for television; conversion of motion pictures into video tapes; generation of electricity; generation of electricity and gas; rental of energy production equipment; rental of equipment for the generation of electricity; rental of boilers; rental of generators; rental of electric generators; rental of electrical transformers; production of electricity; production of electricity from solar energy; application of carpet underlay [on third-party orders]; custom assembly of materials for third parties; assembling of products for the benefit of others; machine construction [custom services]; engraving of gravestones; acrylic finishing for vehicles; joinery [custom manufacture]; mixing of paints; controlling water pollution [waste treatment]; water desalination; demineralization of water; dehumidification of buildings; rental of space heating apparatus; rental of air conditioning apparatus; rental of air-purifying apparatus; rental of cooling apparatus for household use; rental of heating installations; rental of water purification equipment; rental of water treatment equipment; rental of water filtration devices for commercial use; rental of water filters; rental of misting systems for outdoor cooling; rental of electric fans for cooling; air purification; water purification; air freshening; air regeneration; water regeneration; odor removal services; on-site water purification services; air treatment; water treatment; water treatment [demineralizing]; waste treatment and recycling; consultancy with respect to chemical pollution removal; consultation with respect to chemical pollution treatment; recycling of insulating gases from freezers; recycling of scrap metal; recycling of plastic materials; recycling

of valuable materials; recycling of minerals; recycling of metals; recycling of chemical products; waste management services [recycling].

Cl.42;Design services; information technology services; scientific and technological services; quality control, authentication and testing; development of computer hardware; design of computer hardware for the manufacturing industry; design of computer hardware for converting multimedia content and data from and to different protocols; consulting services related to computer hardware design; development and design of digital image and sound carriers; development of hardware for the conversion of multimedia content and data from and to different protocols; development of computer hardware for digital signal processing; development of computer hardware for processing and distribution of multimedia contents; development of computer hardware for compression and decompression of multimedia content; development of computer hardware for the storage and retrieval of multimedia data; consultancy in the design and development of computer hardware; software development, programming and implementation; rental of computer hardware and installations; hosting and software as a service, and rental of software; application service provider [ASP], namely hosting of third-party application software; application service provider [ASP]; providing temporary access to non-downloadable software for preparing invoices on computer networks, intranets and the Internet; provision of temporary use of non-downloadable computer programs; providing Internet search engines; media asset management; digital asset management; company content management; hosting of blog space on the Internet; hosting of digital content on the Internet; hosting of digital content, namely online journals and blogs; hosting of podcasts; server hosting; hosting of third-party web sites on computer servers for global computer networks; hosting of Web sites on the Internet; hosting of computer sites [websites]; hosting computer sites [websites] of others; web site hosting services; cloud computing; infrastructure as a service (iaas); rental of software with regard to price quotes; rental of software for Internet access; rental of application software; rental of computer programs and software; rental of software, data processing equipment and computer peripherals; software-services [saas] for the creation and online publication of newspapers and blogs; software as a service [saas] for the preparation of shipping documents via computer networks, intranets and Internet; software as a service [saas] for the processing of shipping operations via computer networks, intranets and the Internet; software as a service [saas] for packages tracking via computer networks, intranets and Internet; software as a service [saas] for the tracing of freight via computer networks, intranets and Internet; providing computer programs and infrastructures for ensuring backup copies; platform as a service [PaaS]; providing information technology services for software; off-site data backup; data storage services; remote computer backup services; electronic data storage; rental of computer software; rental of computer software for data stream reading; rental of software for reading databases containing price offers; rental of web servers; temporary rental of non-downloadable online software used in publishing and printing; software as a service [SaaS]; data security services; computer time-sharing services; computer rental; time sharing of data processing apparatus; rental of computers and data processing equipment; providing computer equipment; rental of computer access time; rental of data processing systems; rental of data carriers; rental of mini-computers; rental of computer hardware and peripheral devices for computers; rental of computer equipment; rental of a database server to third parties; rental of personal computers; rental of computers and software; computer rental on a time-sharing basis; computer rental; rental of coding apparatus; time sharing installations for computer hardware; consultancy, advisory and information services in relation to information technology; data conversion and copying services, data encoding services; services for reproducing computer programs; graphic scanning services; data decryption services; data encryption and decoding services; copying of computer programs; data encoding services; digital mapping service; digitization of documents [scanning]; digitization of documents; encoding of digital music; encoding of magnetic cards; encryption, decryption and authentication of information, messages and data; encryption of digital images; cross-platform conversion of digital content into other forms of digital content; conversion of data or documents from physical to electronic media; conversion of computer programs and data, other than physical conversion; conversion of data of electronic information; converting a computer document to another format; digital compression of computer data; coding of messages; security services for computer networks, computer access and computer-based transactions; information security services [firewalls]; monitoring services for computer security systems; monitoring services of computer systems; data recovery services; antivirus protection services; computer firewall services; troubleshooting services for data communication systems; computer troubleshooting (repair) services; computer system troubleshooting services; sampling and analysis services for assessing pollution levels; Internet services in an enclosed environment; recovery of computer data; IT recovery plan [technical project study]; monitoring of network systems; development of technologies for the protection of electronic networks; security, protection and restoration of information

technology; computer system analysis; computerized analysis of data; computer analyses; design concerning the development of computer systems for data processing; design of cluster computer configurations; design of telecommunication devices and apparatus; electronic format design of CD-ROMs for computer databases; computer machine and software design for business analysis and reporting; computer network design for third parties; design of computer specifications; communication system design; computer system design; design of data processing systems; design of telephones; design of mobile telephones; computer database design and development; design and development of computer hardware and software; design and development of networks; design, management and monitoring of chat rooms online; advice relating to information technology intended for the pharmaceutical and health industries; computer development; development of computer networks; development of computer systems; development of systems for data transmission; development of data storage systems; development of data processing systems; comparative analysis studies on the efficiency of computer systems; data mining; management of computer projects; integration of computer systems and networks; rental of computers and computer software; computer rental and updating of software; rental of computer hardware and software; rental and maintenance of software; updating of websites for third parties; customization of computer hardware and software; programming of electronic ordering systems; preparation of computer programs for data processing; research on computerized automation of administrative procedures; comparative analysis studies on the performance of computer systems; evaluation of the performance of computer systems in comparison with standards; evaluation of data processing performances in comparison with standards; research relating to computerized automation of industrial procedures; research related to telecommunication technics; research in the field of computing; research with respect to data processing; research related to computerized automation of technical processes; technical research relating to information technology; technological research linked with information technology; analysis services concerning computers; computer graphics services; computer system integration services; design services related to data processing testing tools; design services relating to data processing tools; design services concerning data processors; data transmission test tool design services; computer system design services; design services in the field of network creation; design services relating to computer hardware and programs; computer programming and design services; computer network configuration services; computer diagnostic services; troubleshooting services for computer hardware and software; data migration services; computer system memory bank updating services; computer research services; computer network services; digital tattooing services; outsourced services relating to information technology; technological services relating to computers; remote monitoring of computer systems; design services; information technology services; scientific and technological services; design of instruments; design of building interiors; interior design for commercial use; design of controlled environment buildings; design of electrical circuit boards; design of mechanical and micro-mechanical components; design of three-dimensional visual display units; specialized machinery design; design of industrial machines; design of printed material; product development; design services relating to real estate; furniture design services; design services with respect to document reproduction; store planning [design] services; kitchen planning [design] services; planning [design] services for building extensions; planning [design] of buildings; planning services in the field of design; office planning services [design service]; catering establishment planning services [design services]; club planning services [design service]; technological services relating to design.

IR DIVISION

Cl.6;Metal containers for storage or transport; cask stands of metal; beams of metal; metallic mountings; sheets and plates of metal, hardware and metal hardware, namely metal hardware for building and metal goods for vehicle construction or metal construction; signboards of metal; ironmongery, small items of metal hardware; steel, unwrought or semi-wrought; steel sheets; steel wire; cast steel; steel buildings; structures and transportable buildings of metal; containers of metal for storage, transport and packaging; metal hardware; common metals, unwrought or semi-wrought; doors, gates, windows and window coverings of metal; locking assemblies of metal.

Cl.7;Agricultural, gardening and forestry machines and apparatus; controlled volume pumps; construction machines.

Cl.8;Tools for use in the following fields: agriculture, horticulture and forestry.

Cl.9;Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signalling, detecting, testing, inspecting, life-saving and teaching apparatus and instruments; weighing systems, for use in relation to the following goods: vehicles, vehicle trailers; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus and instruments for recording, transmitting, reproducing or processing sound, images or data; recorded media and downloadable media; computer software; blank digital or analogue recording and storage media; coin-operated mechanisms; cash registers; calculating devices; computers and computer peripherals; diving suits; divers' masks; ear plugs for diving; nose clips for divers and swimmers; gloves for divers; breathing apparatus for underwater swimming; automatic dosage apparatus; fire extinguishers.

Cl.11;Drying apparatus.

Cl.12;Vehicles, especially lorries, trailers, semi-trailers, trailers, motor vehicles; apparatus for locomotion by land, air or water; parts and fittings for vehicles, especially parts and accessories for use in relation to the following goods: trailers, semi-trailers, motor vehicles; parts and fittings for lorries, especially parts and accessories for vehicle trailers; trailers, especially curtain saddle, tipper trailers, flatbed trailers, swap chassis and chassis for use in the following fields: container transport; parts and accessories for trailers; agricultural and forestry vehicles, related parts and related accessories; trailers for use in relation to the following goods: agricultural and forestry vehicles, especially ejector trailers, tilt trucks; assemblies for vehicle

trailers and vehicle semi-trailers, assemblies for motor vehicles; chassis (vehicle-), automobile chassis.

Cl.35;Retail and wholesale services, also provided via the internet, in relation to the following goods: chemical products, paints, preservatives against rust and against deterioration of wood, cleaning, washing, polishing, scouring and abrasive preparations, industrial oil and greases, fuels; retail and wholesale services, also provided via the internet, in relation to the following goods: veterinary preparations, food supplements for animals, disinfectants, preparations for destroying vermin, fungicides, herbicides; retail and wholesale services, also provided via the internet, in relation to the following goods: building materials, cable, wire of common metal, tubes, machines and machine tools, motors and engines, clutches, agricultural implements, agricultural machinery and vehicles and parts of the aforementioned goods, hand-operated tools; retail and wholesale services, also provided via the internet, in relation to the following goods: veterinary apparatus and instruments, apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating and water supply, ammunition, paper, cardboard and goods made of these materials, namely tissues of paper, paper banners, paper bins, cardboard packaging and packaging material of cardboard, stationery, bags, furniture and furnishings, ropes, nets, tents, awnings, sails, sacks, textile products, clothing, games and playthings; retail and wholesale services, also provided via the internet, in relation to the following goods: foodstuffs, tobacco, ready-to-use smoking articles, coffee, edible candy, alcoholic and non-alcoholic drinks, seeds and agricultural, horticultural and forestry products, live animals, natural plants and flowers, foodstuffs for animals.

Cl.36;Real estate services, especially rental and leasing of real estate.

Cl.37;Repair and maintenance of the following goods: vehicles, trailers, machinery and technical apparatus; maintenance of buildings; caretaking activities namely maintenance, cleaning, operation and inspection of buildings and outdoor facilities as well as winter service for outdoor facilities; rental of construction machines, apparatus and tools for construction.

Cl.39;Vehicle rental, especially rental of the following goods: truck, agricultural vehicles, forestry vehicles, charms and related accessories.

Cl.44;Agriculture, horticulture and forestry services; rental of equipment for use in agriculture, horticulture and forestry.

IR DIVISION

Cl.1;Chemicals, chemical reagents and test kits, in particular for laboratory use and for commercial, scientific and research purposes.

Cl.9;Glass apparatus for laboratories; Scientific apparatus, devices and instruments for laboratories; measuring apparatus and instruments; optical apparatus and instruments; spectrometers, in particular portable spectrometers; chromatography columns and chromatography apparatus for laboratory use, in particular for supercritical fluid chromatography (SFC); heating and vibrating platforms for laboratory use; shakers for laboratory use; reaction stations for laboratory use; temperature adjustable synthesis stations; bioreactors (laboratory apparatus); computers and data processing apparatus and related software for laboratory use in particular for spectroscopy and spectrometry, for the provision, evaluation, analysis and control of measurement data, for online measurement and control of processes and calibrations, and for cloud computing services; electronic files (calibrations) that can be downloaded or stored on electronic data carriers for calibrating measuring devices, particular for spectroscopy and spectrometry devices; calibration sets, in particular for calibrating a melting point analyzer; spare parts, consumables and accessories for all of the aforesaid goods (included in this class).

Cl.11;Rotary evaporators and parallel evaporators; Heating, steam generating, cooking, cooling, drying, ventilating and sterilizing apparatus, spray and freeze drying devices, heating and vibrating platforms, reaction stations and bioreactors for industrial purposes; chromatography columns and chromatography apparatus for industrial purposes, in particular for supercritical fluid chromatography (SFC); spare parts, consumables and accessories for all of the aforesaid goods (included in this class).

Cl.42;Scientific and technological services and research as well as industrial analysis and research services, in particular in the laboratory sector; Design, development and testing of computer hardware and software, in particular for chemometric and analytical processes, for spectrometers and for the evaluation and analysis of measurement results; cloud computing and related consulting, in particular provision of measurement data and calibrations in the cloud; provision of virtual computer systems through cloud computing; Software as a Service (SaaS) services, in particular for laboratories; quality controls and technical tests for goods and services, in particular with regard to installation, operation and performance of devices, apparatus and instruments and associated software in the laboratory sector; calibration (measurement).

Cl.9;Downloadable computer software, downloadable mobile application software, and downloadable computer application software for mobile devices and computers, all for coordinating transportation services, managing transportation operations, vehicle fleet management, providing driver and passenger information, providing communication between users, monitoring vehicle safety and driver performance, tracking and sharing vehicle locations, tracking passenger attendance, optimizing routes, optimizing charging schedules, and providing vehicle-to-grid orchestration and support.

Cl.35;Promoting public awareness in the fields of sustainable transportation, transportation safety, student transportation, renewable energy, energy trading, electric vehicles, semi-autonomous and autonomous vehicles; promoting the exchange of information and resources within the scientific research community and the technology industry to achieve advances in the fields of sustainable transportation, transportation safety, student transportation, renewable energy, energy trading, electric vehicles, semi-autonomous and autonomous vehicles; providing public policy information in the fields of sustainable transportation, transportation safety, student transportation, renewable energy, energy trading, electric vehicles, semi-autonomous and autonomous vehicles; operational business support services; business advisory and management services in the field of transportation logistics, route optimization, vehicle-to-grid technology, electric power grid efficiency and energy trading; providing a database featuring business information in the field of route optimization, vehicle-to-grid technology, energy trading, electric energy use and electric power grid efficiency (Term considered too vague by the International Bureau pursuant to Rule 13 (2) (b) of the Regulations); business consultancy and business research in the fields of energy trading, enabling the cost-efficient use of electricity during non-peak hours and for maximizing use of renewable energy; collection, compilation and processing of data relating to energy and electricity consumption, production, generation, storage, transmission, supply and distribution, electric batteries and batteries in electric vehicles for business purposes; collection, compilation and processing of data relating to the electrical grid for business purposes; database management in the field of energy and electricity consumption, production, generation, storage, transmission, supply, trading and distribution.

Cl.36;Energy brokerage services; financial services in the nature of energy trading; energy trading and energy financial risk management services, namely, financial forecasting of electric energy load requirements.

Cl.38;Telecommunication services, namely, transmission of text, images and information by telecommunications networks, wireless communication networks, and the Internet; telecommunications services, namely, providing text notification alerts.

Cl.39;Bus and van charter services; bus, van and car rental services; bus and van shuttle services; providing information about sustainable transportation, transportation safety, student transportation, distribution of renewable energy, transportation by electric vehicles, semi-autonomous and autonomous vehicles; providing information in the nature of survey results about sustainable transportation, transportation safety, student transportation, renewable energy distribution, and transportation using electric vehicles, semi-autonomous and autonomous vehicles; transportation consulting; energy storage and management services, namely, storing, transmitting and distributing electrical energy; providing energy storage

facilities for others; technical operation of energy storage installations for others for the purpose of physical storage and later distribution; provision of information, advice and consultancy services relating to electrical energy distribution, transmission and storage; transportation services, namely, arranging transportation of passengers by automobiles, vans and buses for others; transportation of passengers via automobiles, vans and buses.

Cl.41;Publication of on-line blogs and providing non-downloadable publications in the nature of articles in the fields of sustainable transportation, transportation safety, student transportation, renewable energy, energy trading, electric vehicles, semi-autonomous and autonomous vehicles via a website; providing non-downloadable webinars in the fields of sustainable transportation, transportation safety, student transportation, renewable energy, energy trading, electric vehicles, semi-autonomous and autonomous vehicles; providing online newsletters in the fields of sustainable transportation, transportation safety, student transportation, renewable energy, energy trading, electric vehicles, semi-autonomous and autonomous vehicles.

Cl.42;Software as a service (SaaS) services featuring software for coordinating and arranging transportation services, managing transportation operations, vehicle fleet management, providing driver and passenger information, communicating with users, monitoring vehicle safety and driver performance, tracking and sharing vehicle locations, tracking passenger attendance, optimizing routes, optimizing charging schedule, and providing vehicle-to-grid orchestration and support; software as a service (SaaS) services featuring software for energy trading; providing temporary use of online non-downloadable software for analyzing, controlling and optimizing energy trading and revenue reporting; software as a service (SAAS) services featuring software for real-time optimization and bidding in the field of energy trading; software as a service (SAAS) services featuring software used to provide real-time data, information and analyses that facilitate decision making processes on transactions in the power and energy trading business; vehicle-to-grid computer systems integration; providing on-line non-downloadable software for the management, monitoring, and analysis of electric vehicle use and electricity consumption; providing on-line non-downloadable software for the management, monitoring and analysis of electricity supply and analysis of vehicle charging; providing online non-downloadable software featuring technology enabling users to remotely monitor, manage, and control users' electric vehicles battery charge and maintenance schedules; engineering services, namely, engineering, development and design of renewable energy facilities and energy storage facilities; computer services, namely, computer diagnostic monitoring and reporting on the performance of renewable energy facilities for others; technological planning and consulting in the fields of vehicle-to-grid technology, renewable energy and energy storage; scientific research in the field of vehicle-to-grid technology, renewable energy, energy generation, and energy storage; research in the field of vehicle-to-grid technology, renewable energy, energy generation, and energy storage; providing an internet website portal in the field of electric vehicle monitoring, management, and control for energy usage monitoring and management purposes (Term considered too vague by the International Bureau pursuant to Rule 13 (2) (b) of the Regulations); providing an internet website portal featuring reports regarding electric vehicle battery charging history and optimized charging schedules for business purposes (Term considered too vague by the International Bureau pursuant to Rule 13 (2) (b) of the Regulations).
