Cl.7;Carbon brushes for starters for motors; carbon brushes for starters for engines; carbon brushes for starter motors; carbon brushes for starter engines; alternators for motor vehicles; electric alternators for land vehicles; alternators for land vehicles; starter alternators; brushes being parts of motors, generators and dynamos; carbon brushes for dynamos; dynamos for vehicles; fans for motors; fan belts for motors and engines; fans for engines; fan belts for engines; generators for motor vehicles; electric starter motors; electronic starters for motors and engines; electrical apparatus for motor land vehicles being control mechanisms for motors, including electric vehicles, hybrid vehicles, electrically-operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries; and parts and fittings for such goods, and parts and fittings therefor, all included in this class; electric ignition apparatus for internal combustion engines; electric ignition coils, electronic ignitions for vehicles, ignition magnetos for engines, all for use in motor land vehicles, including electric vehicles, hybrid vehicles, electrically-operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries; and parts and fittings for such goods; ignition distributors for internal combustion engines, ignition wires for motor vehicles, ignition wires for vehicle engines, ignition devices for motors of land vehicles, spark plug ignition wires, points being ignition parts for internal combustion engines, igniting devices for internal combustion engines; ignition coils for automotive engines; electronic ignitions for vehicles; ignitions for vehicles; ignition wires for vehicle engines; ignition devices for land vehicle engines; ignition parts, namely, ignition switches, distributor caps, distributor points, distributor condensers, distributor rotors, distributor modules, distributor pick ups coils, distributor timers, distributor reductors, ignition coils, ignition points, ignition condensers, starter drives, starter clutches, starter bushings, ignition wires, ignition wire terminals, ignition wire boots, ignition wire nipples; internal combustion engines land vehicle parts, namely, distributor caps and rotors; automotive spark plug protectors; spark plug wires; spark plug ignition wires; spark plugs; spark plugs for vehicle engines; sparking plugs for automotive engines; injectors for engines, motor and engine starters, engine cooling radiators, radiators for vehicles, catalytic converters for motors and engines, exhaust gas treatment systems for diesel engines, engine valves, valves for engines, all for use in motor land vehicles, including electric vehicles, hybrid vehicles, electrically-operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries; and parts and fittings for such goods; cooling radiators for engines; cooling fans for automobile engines; radiator caps for engine cooling systems; radiator covers for automobile engine cooling including electric vehicles, hybrid vehicles, electrically-operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries, and parts and fittings for such goods; control cables for engines; control cables for motors; engine exhaust for motors and engines, automobile engine exhaust system resonator, pressure reducers being parts of machines, control mechanisms for machines, engines or motors, control cables for machines, engines or motors; control mechanisms for machines, engines or motors; hydraulic controls for machines, motors and engines: pneumatic controls for machines, motors and engines; fuel/air ratio controls being parts of engines or motors; condensers being

ignition parts for internal combustion engines; camshafts for vehicle engines; cranks being parts of machines; crankcases for machines, motors and engines all for use in motor land vehicles, including electric vehicles, hybrid vehicles, electrically-operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries, and parts and fittings for such goods; engine fuel pumps; fuel pumps; fuel injection pumps; fuel dispensing pumps; diesel-engine heating plugs; diesel engines for air vehicles; diesel injection devices; glow plugs for diesel engines; all for use in motor land vehicles, hybrid vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries; oil pumps for land vehicle engines; oil pumps for automobiles; oil pumps for automobile engines; water pumps for engines; water pumps for automobiles; water pumps for vehicles; diesel-engine heating plugs; electric motors for heating installations; filters for cleaning cooling air for engines; pumps for cooling engines; filters for engines; gas filters for engines; air filters for engines; oil filters for engines; air filters being parts of engines; oil filters being parts of engines; particulate filters being parts of engines; fuel filters being parts of engines; air cleaning filters, for engines; filters for engines and motors; air filters for automobile engines; filters being parts of engines; filters for internal combustion engines; filter housings being parts of engines; diesel oil filters being parts of engines; gas oil filters being parts of engines; oil filters for engines and motors; filters for cleaning cooling air, for engines; particulate air filters for exhaust systems for internal combustion engines; air-intake tubes and filters for after-market installation of automotive engines; internal combustion engine parts, namely, namely, coils; internal combustion engine parts, namely manifolds; automotive parts, namely, engine seals; automotive engine mounts; winch motors; windshield wiper motors for marine or land vehicles; hydraulic pumps and motors for hydrostatic systems, comprised of pumps, motors, valves, switches, sensors and electronic controls, for hydraulic drives and force transmission in off-road-vehicles; hydraulically-operated switches; exhaust pipes for land vehicles; exhaust pipes for land vehicle engines; header pipes as part of vehicle exhaust system; emission reduction units for motors and engines, namely, catalytic converters; emission reduction units for motors and engines; emission reduction units for motors and engines, namely, EGR valves; emission reduction units for motors and engines, namely, PVC valves; starter motors for land vehicles; starter pinions for land vehicles; starters for land vehicles; control mechanisms for motors.

Cl.9;Electric batteries for vehicles; automotive batteries; electric batteries for petrol powered land vehicles; electric batteries for diesel powered land vehicles; electric batteries for powering electric vehicles; electric batteries for powering hybrid vehicles, such vehicles being powered by a combination of carbon based fuels and electric batteries; thermostats for vehicles; vehicles engine parts namely thermostats; keyless entry system and keyless ignition switch system for automotive vehicles comprised of a microprocessor, electronic signal receiver, and keyfob with electronic signal transponder; electronic motor vehicle ignition tuning kits comprised of an electronic control unit that monitors engine performances and delivers re-calculated sensor values to the original engine control unit to increase engine performance; sensors; velocity sensors; acceleration sensors; electrical sensors; parking sensors for vehicles; vehicle mounted gps sensor for determining the rate of motion for a vehicle; vehicle safety equipment, namely, back-up sensors and cameras; vehicle detection equipment, namely, display monitors, computers, image sensors, video cameras, and operating system and application software to detect vehicle location; vehicle tracking devices comprised of cellular radio modules, computer software and computer hardware, sensors, transmitters, receivers and global positioning satellite receivers, all for use in connection with vehicle tracking, vehicle monitoring and anti-theft vehicle alarms; electronic motor vehicle ignition tuning kits comprised of an electronic control unit that monitors engine performances and delivers re-calculated sensor values to the original engine control unit to increase engine performance; safety and driving assistant system for mobile vehicles and vessels comprised of electronic proximity sensors and switches, high-resolution cameras, integrated circuits for the purpose of imaging processing, and display monitors; sensors and detector units for use in controlling the actuation and operation of automotive safety apparatus and equipment; parts for anti-theft automotive alarms, namely, electronic sensors, remote control transmitters and receivers for remotely operating land vehicles; humidity sensor with integrated digital and analog output circuitry used in automotive, appliance and light industrial applications to sense both relative humidity and temperature environmental conditions; electronic control sensors for motors; sensors for use in the control of motors; sensors for use in the control of engines; sensors for engines; electronic motor switches for switching off motors; electrical power window switches for motor vehicles; electrical power door lock switches for motor vehicles; airbag deactivation switches for automobiles; keyless entry system and keyless ignition switch system for automotive vehicles comprised of a microprocessor, electronic signal receiver, and keyfob with electronic signal transponder; engine cut-off switch; apparatus and instruments for switching electricity; cut-out switches; diode ac switches; automobile airbag deactivation switches; electrical switching

apparatus; magnetic switches; electrical switches used for ignition, automotive combination switches, switches headlights, dimmer switches for vehicles, cruise control switches for vehicles, door jamb switches for vehicles, clutch switches for vehicles, neutral safety switches for vehicles, ignition lock switches for vehicles, oil pressure for vehicles, radiator fan switches for vehicles, and stoplight switches for vehicles; engine control sensors; electronic control sensors for motors sensors for use in the control of motors; turn signal switches for vehicle electrical systems, electronic automotive engine management systems comprised of control modules, sensors, namely, accelerator pedal sensors, air charge temperature sensors, air cleaner temperature sensors, air injection sensors, ambient air temperature sensors, anti-lock speed sensors, barometric pressure sensors, brake fluid level sensors, brake pad wear sensors, cabin air temperature sensors, camshaft and crankshaft sensors, coolant level sensors, coolant temperature sensors, crankshaft position sensors, exhaust temperature sensors, fuel pressure sensors, fuel temperature sensors, fuel vent sensors, heater core temperature sensors, intake air temperature sensors, knock (detonation) sensors, map sensors, bapp sensors, oil temperature sensors, speed sensors, transmission input/output sensors, turbo boost sensors, washer fluid level sensors, yaw sensors; electric linear actuators for land vehicles; automotive resistance units, namely, coil resistors and blower motor resistors which limit the voltage to the coil to prevent early burn out failure; electrical vacuum controls, namely switches and valves for vehicle; solenoids; voltage regulators; electrical apparatus and instruments, all for use in motor land vehicles, including electric vehicles, hybrid vehicles, electrically operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries, all included in this class; engine control sensors all for use in motor land vehicles, including electric vehicles, hybrid vehicles, electrically operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries; sensors for use in the control of motors all for use in motor land vehicles, including electric vehicles, hybrid vehicles, electrically operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries; temperature controllers apparatus for use in vehicle engines all for use in motor land vehicles, including electric vehicles, hybrid vehicles, electrically operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries; ignition batteries all for use in motor land vehicles, including electric vehicles, hybrid vehicles, electrically operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries; ignition cables all for use in motor land vehicles, including electric vehicles, hybrid vehicles, electrically operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles, being powered by a combination of carbon based fuels and electric batteries; ignition (electric apparatus for remote -)all for use in motor land vehicles, including electric vehicles, hybrid vehicles, electrically operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries, ignition spark detectors all for use in motor land vehicles, including electric vehicles, hybrid vehicles, electrically operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries, ignition leads all for use in motor land vehicles, including electric vehicles, hybrid vehicles, electrically operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries; battery leads all for use in motor land vehicles, including electric vehicles, hybrid vehicles, electrically operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries; electric leads all for use in motor land vehicles, including electric vehicles, hybrid vehicles, electrically operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries; solenoids all for use in motor land vehicles, including electric vehicles, hybrid vehicles, electrically operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries; solenoid valves all for use in motor land vehicles, including electric vehicles, hybrid vehicles, electrically operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries; solenoid valves [electromagnetic switches] all for use in motor land vehicles, including electric vehicles, hybrid vehicles, electrically operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered

by a combination of carbon based fuels and electric batteries; electric relays all for use in motor land vehicles, including electric vehicles, hybrid vehicles, electrically operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries; electromagnetic relays all for use in motor land vehicles, including electric vehicles, hybrid vehicles, electrically operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries; motor protection relays, flasher units being electric relays, electromagnetic coils, mutual inductors, data processing apparatus, semi-conductor devices, lighting control apparatus, circuit boards, all for use in motor land vehicles, including electric vehicles, hybrid vehicles, electrically operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries; electronic control unit for motor land vehicles, including electric vehicles, hybrid vehicles, electrically operated vehicles, electrically powered motor vehicles, ultra-low emission vehicles being land vehicles, hybrid vehicles being powered by a combination of carbon based fuels and electric batteries; pneumatic-electrical control device; starter electromagnets.

Cl.11;Lighting apparatus for vehicles; lightbulbs and led light bulbs for lighting apparatus for vehicles; vehicle spotlights; vehicle taillights; vehicle headlamps; headlights for vehicles; vehicle lighting and lighting reflectors; vehicle lights; motor vehicle headlights; vehicle parking lights; vehicle brake lights; off-road light bars for vehicles; demisters; defrosters for vehicles; defrosting apparatus for vehicles; ventilating apparatus for vehicles; heating apparatus for vehicles; air filters for vehicle cabins; air conditioning apparatus for vehicles; humidifier units as parts of vehicles; heating apparatus for defrosting vehicle windows; ventilating fans for use in vehicles; anti-glare devices for vehicles lamps; heating, ventilation and air conditioning systems for vehicle; deodorising apparatus for dispensing scents in motor vehicles; heaters for vehicles; parts for automotive vehicle heating apparatus, namely, evaporators, heater cores, heater valves, heater fittings, namely, tubes and connectors which connect hoses, blower motors, and blower motor wheels; parts for automotive air conditioners, namely, evaporators, motors, blower motors, valves, fans, fan blades, fan clutches, dryers and electric expansion valves; heat exchangers adapted to cool torque converter fluid, engine oil, power steering fluid and used in connection with automotive power units for automotive vehicles.

Cl.12;Vehicle chassis; vehicle tires; vehicle frames; suspension systems for land vehicles; land vehicle suspension parts, namely, coil springs; land vehicle suspension parts, namely, leaf springs; vehicle shock absorbers; automotive shock absorbing springs; shock absorbers being vehicle parts; shock absorbers for automobiles; vehicle shock absorbers; non-metallic struts being parts of vehicles; suspension struts for vehicles; vehicle parts, namely, suspension struts; brake linings; brake discs; brake drums; brake cylinders; brake facings; steering brakes; disc brakes; vehicle brake disks; vehicle brake rotors; brake shoes; brake disks; clutch mechanisms for automobiles; clutches for land vehicles; clutch linings for land vehicles; clutch mechanisms for motor cars; clutch cylinders for land vehicles; jaw clutches for land vehicles; hydraulic clutches for land vehicles; friction clutches for land vehicles; power clutches for land vehicles; reservoirs being parts of land vehicle clutches; discs for clutch thrust bearings of land vehicles; vehicle power train mechanism comprised of clutch, transmission, drive shaft, and differential; pneumatic or hydraulic linear actuators for land vehicles; gear boxes for hydraulic transmissions of land vehicles; hydraulic couplings with integral dampers, for land vehicles; hydraulic power transmission units for land vehicles; hydraulic torque converters for land vehicles; hydraulic brake pressure regulators for vehicles; hydraulic rotary shock absorbers for vehicles; hydraulic couplings for land vehicles; hydraulic circuits for motor cars; hydraulic control systems for vehicles; hydraulic transmissions for land vehicles; hydraulic servo valves being parts of vehicle hydraulic systems; hydraulic circuits for vehicles; constant velocity joints being vehicle parts; vehicle parts being constant velocity joints; covers for constant velocity joints; boots being covers for constant velocity joints; axles for land vehicles; axle assemblies for vehicles; axles for vehicles; axle boots for vehicles; axle bearings for land vehicles; land vehicle parts, namely, axles; axles for leaf spring suspensions in vehicles; axles and cardan shaft for motor vehicles; axles for air suspension systems in vehicles; axle boot kits for use with land vehicles; axles for leaf spring suspensions systems in vehicles; axle bearings for motor vehicles; axles [land vehicle parts]; vehicle axle assemblies; automotive wheel seals; automotive parts, namely, transmission seals; engine mounts for land vehicles fan motors for land vehicles; sensors for land vehicles, namely, electric power steering torque sensors, sold as a component of the power steering system; body panels for trucks or SUVs; body panels for vehicles; bodywork for motor vehicles; bodyworks for motor vehicles; car body modification parts for sale in kit form; fitted automobile body covers; insulated vehicle body panels; automobile seat safety harnesses; vehicle safety seat cushions; safety alarms for vehicles;

safety belts for vehicles; rear-vision mirrors; rear-vision mirrors for automobiles; wing mirrors; vehicle mirrors; windscreens; windscreen wipers; automobile windscreens; vehicle windscreens; windscreen wiper blades; windscreen wiper arms; windscreens for automobiles; windscreens for land vehicles; car windows; windows for vehicles; power windows for vehicles; jalousies for vehicle windows; car doors; automobile doors; vehicle doors; doors for automobiles; automobile bonnets; car bonnets; car hoods; vehicle hoods; automobile hoods; power tailgates for vehicles; motorized tailgates for trucks; fuel line hoses for vehicles; vehicle parts, namely, power steering hoses; tubes for vehicle wheels; tire tubes for vehicles; inner tubes for vehicle tyres; vehicle windows incorporating heaters; electric vehicles; electrically operated vehicles; electric land vehicles; electrically powered land vehicles; electrically powered motor vehicles; self-propelled electric vehicles; hybrid vehicles; hybrid land vehicles; hybrid vehicles being powered by a combination of carbon based fuels and electric batteries; hybrid land vehicles being powered by a combination of carbon based fuels and electric batteries; hybrid cars; series hybrid cars; plug-in hybrid electric vehicles; PHEV being land vehicles; ultra low emission vehicles being land vehicles; electrically powered land motor vehicles; self-propelled electric land vehicle; hybrid land vehicles being powered by carbon based fuels and electric batteries; hybrid cars being land vehicles; series hybrid cars being land vehicles; plug-in hybrid land electric vehicles; ultra low emission vehicles being land vehicles; motors for land vehicles, and parts and fittings therefor included in this class; motors for electric land vehicles, and parts and fittings therefor included in this class; motors for plug-in hybrid electric vehicles; motors for ultra low emission vehicles being land vehicles; motors for hybrid land vehicles being powered by carbon based fuels and electric batteries, and parts and fittings therefor included in this class; electric cars; electric motors for land vehicles; driving motors for land vehicles; driving motors for plug-in hybrid electric vehicles; driving motors for ultra low emission vehicles being land vehicles; driving motors for hybrid vehicles; driving motors for hybrid land vehicles being powered by carbon based fuels and electric batteries; electric motors for motor cars; electric motors for plug-in hybrid electric two-wheeled vehicles; electric motors for ultra low emission vehicles being two-wheeled vehicles; electric motors for hybrid two-wheeled vehicles; electric motors for hybrid two-wheeled land vehicles being powered by carbon based fuels and electric batteries; electric engines for land vehicles; electric engines for land vehicles being hybrid vehicles; electric engines for land vehicles being hybrid cars; electric engines for land vehicles being series hybrid cars; electric engines for land vehicles being plug-in hybrid electric vehicles; electric engines for land vehicles being PHEV land vehicles; electric engines for land vehicles being ultra low emission vehicles; electric driving motors for land vehicles; engines for land vehicles; motor land vehicle engines; hoods for vehicle engines; engines for motor land vehicles; combustion engines for land vehicles; internal combustion engines for land vehicles; engines for plug-in hybrid electric vehicles; engines for ultra low emission vehicles being land vehicles; engines for hybrid vehicles; engines for hybrid land vehicles being powered by carbon based fuels and electric batteries; diesel engines for land vehicles; diesel engines for plug-in hybrid electric vehicles; diesel engines for ultra low emission vehicles being land vehicles; diesel engines for hybrid vehicles; diesel engines for hybrid land vehicles being powered by carbon based fuels and electric batteries; transmissions for land vehicles; transmissions for electric land vehicles; transmissions for plug-in hybrid electric vehicles; transmissions for ultra low emission vehicles being land vehicles; transmissions for hybrid vehicles; transmissions for hybrid land vehicles being powered by carbon based fuels and electric batteries; drive transmissions for land vehicles; drive transmissions for electric land vehicles; drive transmissions for plug-in hybrid electric vehicles; drive transmissions for ultra low emission vehicles being land vehicles; drive transmissions for hybrid vehicles; drive transmissions for hybrid land vehicles being powered by carbon based fuels and electric batteries; articulated transmissions for land vehicles; articulated transmissions for electric land vehicles; articulated transmissions for plug-in hybrid electric vehicles; articulated transmissions for ultra low emission vehicles being land vehicles; articulated transmissions for hybrid vehicles; articulated transmissions for hybrid land vehicles being powered by carbon based fuels and electric batteries; gear boxes for hydraulic transmissions of land vehicles; gear boxes for land vehicles; gear boxes for electric land vehicles; gear boxes for plug-in hybrid electric vehicles; gear boxes for ultra low emission vehicles being land vehicles; gear boxes for hybrid vehicles; gear boxes for hybrid land vehicles being powered by carbon based fuels and electric batteries; mechanical drive apparatus for hydraulic transmissions of land vehicles; mechanical drive apparatus for land vehicles; mechanical drive apparatus for electric land vehicles; mechanical drive apparatus for plug-in hybrid electric vehicles; mechanical drive apparatus for ultra low emission vehicles being land vehicles; mechanical drive apparatus for hybrid vehicles; mechanical drive apparatus for hybrid land vehicles being powered by carbon based fuels and electric batteries; vehicle brake discs; vehicle disc brakes; wheel brakes; electronic brakes for vehicles; components for brakes for vehicles; brake pads for vehicles; vehicle brake parts made of materials having frictional

properties; brake sets for vehicles; brake segments for vehicles; brake systems for vehicles; brake shoes for motor cars; brakes for motor cars; brakes for hydraulic transmissions of land vehicles; brakes for land vehicles; brakes for electric land vehicles; brakes for plug-in hybrid electric vehicles; brakes for ultra low emission vehicles being land vehicles; brakes for hybrid vehicles; brakes for hybrid land vehicles being powered by carbon based fuels and electric batteries; components for brakes for hydraulic transmissions of land vehicles; components for brakes for land vehicles; components for brakes for electric land vehicles; components for brakes for plug-in hybrid electric vehicles; components for brakes for ultra low emission vehicles being land vehicles; components for brakes for hybrid vehicles; components for brakes for hybrid land vehicles being powered by carbon based fuels and electric batteries; brake shoes for motor cars; brake shoes for land vehicles; brake shoes for electric land vehicles; brake shoes for plug-in hybrid electric vehicles; brake shoes for ultra low emission vehicles being land vehicles; brake shoes for hybrid vehicles; brake shoes for hybrid land vehicles being powered by carbon based fuels and electric batteries; automobile engines; drive transmissions for land vehicles; articulated transmissions for land vehicles; drive transmission devices being belts for land vehicles; differential transmissions for land vehicles; pneumatic transmission control units for land vehicles; mechanical transmissions for land vehicles; planetary gear transmissions for land vehicles; power transmissions for land vehicles; land vehicle transmissions; gear units for power transmissions of land vehicles; gear boxes for hydraulic transmissions of land vehicles; gear boxes for land vehicles; mechanical drive apparatus for land vehicles; vehicles for locomotion by land, air, water or rail; tires for vehicle wheels; vehicle cabs; vehicle sunroofs; vehicle trailers; vehicle seating; vehicle horns; vehicle spoilers; vehicle mudguards; vehicle dashboards; vehicle windshields; vehicle bumpers; vehicle camera mount; shaped vehicle covers; vehicle armrest cushions; vehicle roof boxes; vehicle roof bars; vehicle sun blinds; vehicle cup holders; vehicle side doors; vehicle vanity mirrors; vehicle roll bars; vehicle disc brakes; motor vehicle bodies; vehicle wheel rims; vehicle rear windows.

Cl.17;Oil seals for vehicles; vehicle radiator connecting hoses; rubber hoses for vehicle heaters; connecting hoses for vehicle radiators; non-metallic hoses for vehicle radiators; connecting hoses for vehicle fuel injectors; non-metallic connecting hoses for vehicle radiators; non-metallic pre-insulated bonded flexible hoses for use in vehicle engines; pipes made of plastic for motor vehicles; pipes made of rubber for motor vehicles; cylinder head gaskets; engine gaskets, not of metal, for vehicles; gaskets for engines; gaskets for internal combustion engines; gaskets for motors; gaskets, not of metal, for vehicle engines; gaskets of metal for vehicle engines; non-metal engine gaskets for vehicles; gaskets being parts of machines and motors.

Cl.7;Installations [machines] for treatment of ore dust, direct reduction iron manufacturing installations [machines], steel manufacturing installations [metalworking machines], continuous casting machines; processing and agglomerating plants for iron ores and non-metallic minerals, coal, lime, dolomite, magnesite and cryolite; fluidised beds being part of direct reduction iron manufacturing installations [machines]; machines for processing minerals; sintering machines for chemical processing; washing installations for steel works and thermal power generating plants; machines and installations for the manufacture of refractory mouldings, for briquetting, pelletising and granulating; mixers for pig iron, steel, alloys and slag; converters for the production of steel and iron alloys; blasting and heating lances for steel works; waste gas collection and extraction equipment for steel works; continuous casting machine parts, namely, foundry ladles, tundishes and spreaders for pig iron and steel; die-casting molds [parts of machines]; adjusting and oscillating machines for chill moulds; dummy bars [parts of machines]; machines for rolling steel, iron alloys and non-ferrous metals; hot and cold rolling installations for sheets, strips, profile sections, beams, rails, pipes and wire; rollers of steel, copper or other metallic or ceramic materials being part of machines; roll housings [parts of machines]; roll stands [parts of machines]; welding machines; trueing machines; machines and installations for surface finishing of metals; galvanising and coating installations; scarfing and hardening machines; shearing and saw cutting machines and installations for separating bars, sheets, strips, profile sections, beams, rails, pipes and wire; coiling machines for metal strips; machine tools; apparatus for machining; lathes; drills; hydraulic motors; turbines, namely water, gas and steam turbines and turbine components; shut-off devices and rotational speed regulators for turbines; turbine wheels, turbine guide vanes; parallel flow racks (machines), reverse flow racks (machines); rack cleaning machines; lifting and lowering work platforms; cranes; transporting and conveying machines; conveyor belts; bucket conveyors; screw conveyors; winches; reels; capstans and cable pulleys for machines; apparatus and machines for the manufacture of clinker ballast, granulate, bricks, plates and mouldings from steel work slag; machines and installations for the processing and recovery of waste materials; dust removing equipment for cleaning purposes; composting machines; cyclones; machines for thickening; generators; tubular turbine generators, hydrodynamic generators, motor generators and turbogenerators; three-phase AC motors, AC motors and DC motors; converters for gas and steelworks; hydraulic power generating plants; gas and steam power generating plants; combined power generating plants and co-generation power generating plants; electric drives, other than for land vehicles; machines and machine tools for use in the field of metalworking and metal production; industrial rolling mill machines; metal moulding machines; metal rolling machines; metal casting machines; automated and computer-aided metal production machines; metal production machines designed to work in metal production lines; metal trimming machines; metal welding machines; metal annealing machines; metal cleaning machines; metal

pickling machines; metal elongation machines; machines for the coating of metal; machines for the inspection and monitoring of the metal production process; machines for the surface inspection raw metal sheets, plates, bars, rods and rolls; galvanising machines; agricultural, earthmoving, construction, oil and gas extraction and mining equipment; compressors for machines; pumps [parts of machines, engines or motors]; centrifugal fans; moving and handling equipment; generators of electricity; machines and machine tools for treatment of materials and for manufacturing; engines, powertrains, and generic machine parts; sweeping, cleaning, washing and laundering machines; Roebel bars [parts of machines]; gas-fired power plants; steam power plants; gasification combined cycle power plants; flue gas or fossil-fired power plants; combined heat and power plants with steam or gas turbines; chemical processing equipment; washing apparatus for industrial purposes; fluidized bed reactors for ore treating; parts and fittings of all the aforesaid goods, included in the class.

Cl.9;Electric measuring, regulating, control and checking (supervision) equipment (not included in other classes); electronic control apparatus for industrial installations and power generating plants; transformers (electricity) and coils, electric accumulators, batteries, gas-insulated electrical switches, electrical protection and excitation devices, not included in other classes; electric power supply units, not included in other classes; electrical low, medium and high voltage installations and switching devices, overhead power transmission lines, contact lines for railway rolling stock; conductors, electric; transposed electric conductors; insulated electric cable; installation material for electrical systems, not included in other classes; apparatus and equipment for measuring physical parameters, not included in other classes; apparatus and equipment for measuring temperature, pressure and humidity, not included in other classes; apparatus and equipment for chemical analyses, not included in other classes; data processing equipment and apparatus for controlling, regulating, simulating, visualising and monitoring parameters in industrial installations, environmental installations, power generation, distribution and transmission installations, and machines and parts therefor; computer programs for process control, regulation, visualisation and monitoring in industrial installations, environmental installations, power generating plants and machines, and parts therefor; computer programs for the simulation and visualisation of industrial installations; computer programs for the simulation and visualisation of metallurgical installations, environmental technology installations, power generating plants, machines and devices; personal computers, minicomputers, microcomputers, computer screens, input keyboards and mice for computers, printers, modems, volatile and non-volatile semiconductor memories, storage discs, diskette drives, all the aforesaid goods for controlling, regulating, simulating, visualising and monitoring parameters in industrial installations, environmental installations, power generation, distribution and transmission installations, and machines and parts therefor; optical fibres, programmed and non-programmed data carriers, data transmission installations (not included in other classes), all the aforesaid goods for controlling, regulating, simulating, visualising and monitoring parameters in industrial installations, environmental installations, power generation, distribution and transmission installations, and machines and parts therefor; electronic components, namely for integrated circuits and printed circuits for use in industrial installations, environmental installations, power generation, distribution and transmission installations, and machines and parts therefor; apparatus and instruments for measuring water and air pollution, test apparatus and instruments for materials, weighing equipment, not included in other classes; charging apparatus for steel works; rectifiers; inverters; current converters; current and voltage intermediate circuit frequency converters; computer hardware and software for use in the field of metalworking and metal production; computer hardware and software for the operation and control of metal production machines working in a production line or independently; computer hardware and software for the operation and monitoring of metal production processes; computer hardware and software for systems and process management; computer hardware and software for production line and factory management; computer hardware and software for information management; computer software for the design and production of metal production machines, equipment, production lines, plants and factories; computer hardware and software for measuring and testing of raw metal products; factory automation software; recorded content; information technology and audiovisual equipment; apparatus, instruments and cables for electricity; optical devices, enhancers and correctors; safety, security, protection and signalling devices; navigation, guidance, tracking, targeting and map making devices; measuring, detecting and monitoring instruments, indicators and controllers; scientific research and laboratory apparatus, teaching apparatus and simulators; solar photovoltaic power plants; parts and fittings of all the aforesaid goods, included in the class.

Cl.11;Furnaces for the production and melting of pig iron, steel, alloys and slag; heaters for vessels for mixing pig iron, steel, alloys and slag; furnaces for heating, retaining the heat and annealing of cast, rolled and forged products, pellets, limestone, dolomite and magnesite;

furnaces for the direct reduction of iron ores and for the manufacture of metallised iron ore; baking ovens, sintering furnaces, electric arc furnaces; dryers for industrial purposes; incinerators for solid and liquid materials; waste incinerators; waste gas purification and recovery systems; water treatment plants and equipment; waste water clarifying and purification plants and biomass, waste incineration and composting systems, ventilation equipment, not included in other classes; heat exchangers; installations and apparatus for heating, ventilating, cooling, air conditioning and sanitary purposes; heatable boilers, other than parts of machines, for the generation of steam; desalination systems for sea water; flue gas purification installations, flue gas desulphurisation installations and DeNOx installations; furnaces; metallurgical furnaces; reactor vessels; industrial apparatus for heat processing, namely, whirl-layer reactors for heating; cooling systems for metal semi-finished products; induction heating system for metal semi-finished products; cooling beds for metal semi-finished products; flues and installations for conveying exhaust gases; sanitary installations, water supply and sanitation equipment; burners, boilers and heaters; lighting and lighting reflectors; filters for industrial and household use, namely gas, air and water filtering apparatus; industrial water, gas, air and wastewater treatment installations; gas cleaners and purifiers; industrial ovens and furnaces (not for food or beverages); industrial installations for filtering liquids; installations for the collection of gases; installations for the collection of liquids; launders for trapping impurities in molten metal; biological reactors for clarifying industrial effluents; drying installations; refrigerating and freezing equipment; regulating and safety accessories for water and gas installations; nuclear installations; heating, ventilating, and air conditioning and purification equipment (ambient); igniters; drying installations for steel works and thermal power generating plants; evaporating equipment; parts and fittings of all the aforesaid goods, included in the class.

Cl.35;Business management and organization consultancy concerning industrial installations, metallurgical installations, environmental technology installations, power generating plants and buildings; professional business consultancy on the management and monitoring of the operation of industrial installations, environmental installations, power generating plants and buildings; personnel and business consultancy; automated acquisition, gathering and processing of data for industrial installations, metallurgical power transmission and machines; human resource services; retail and wholesale services connected with machines and machine tools for use in the field of metalworking and metal production, industrial rolling mill machines, metal moulding machines, metal rolling machines, metal casting machines, automated and computer-aided metal production machines, metal production machines designed to work in metal production lines, and parts and fittings of all the aforesaid goods; retail and wholesale services connected with metal trimming machines, metal welding machines, metal annealing machines, metal cleaning machines, metal pickling machines, metal elongation machines, machines for the coating of metal, machines for the inspection and monitoring of the metal production process, machines for the surface inspection raw metal sheets, plates, bars, rods and rolls, galvanising machines, and parts and fittings of all the aforesaid goods; retail and wholesale services connected with electronic machines for use in the field of metalworking and metal production, computer hardware and software for use in the field of metalworking and metal production, computer hardware and software for the operation and control of metal production machines working in a production line or independently, computer hardware and software for the operation and monitoring of metal production processes, and parts and fittings of all the aforesaid goods; retail and wholesale services connected with computer hardware and software for systems and process management, computer hardware and software for production line and factory management, computer hardware and software for information management, and parts and fittings of all the aforesaid goods; retail and wholesale services connected with computer software for the design and production of metal production machines, equipment, production lines, plants and factories, computer hardware and software for measuring and testing of raw metal products, factory automation software, and parts and fittings of all the aforesaid goods; retail and wholesale services connected with furnaces, metallurgical furnaces, metallurgical vessels, whirl-layer reactors and cyclones, cooling systems for metal semi-finished products, induction heating system for metal semi-finished products, cooling beds for metal semi-finished products, and parts and fittings of all the aforesaid goods; advertising, marketing and promotional services; commercial trading and consumer information services; arranging of commercial and business contacts; arranging of collective buying; business analysis, research and information services; ordering services for others; procurement services for others [purchasing goods and services for other businesses]; business assistance, management and administrative services; office functions.

Cl.37;Erection, assembly, servicing, maintenance and repair of industrial installations, environmental technology installations, power generating plants, buildings, houses, high-rise buildings, hydraulic structures, bridges, electrical installations, sewage treatment plants, water

treatment plants, waste water purification plants and waste gas purification plants, as well as biomass, waste incineration and composting plants; erection, assembly, servicing, maintenance and repair of mining and steel works installations, machines, bridges, cranes and pipelines; building construction, namely closure and rebuilding of industrial installations, nuclear plants, steel work installations and environmental protection installations; repair, namely renewal and improvement of rotating electrical machines; maintenance, servicing and repair of electric and electronic machines for industrial installations, metallurgical installations, environmental installations, power generation, distribution and transmission installations; installation of carrier cables and haulage cables, overhead transmission lines and contact lines; installation, servicing, maintenance and repair of data processing apparatus and computers (hardware) for industrial installations, metallurgical installations, environmental installations, power generation, distribution and transmission installations, and machines; building and repair, namely improving the efficiency and performance of existing power generation installations, the erection of fittings for primary and secondary emissions reduction measures, increasing the service life and level of automation of industrial and environmental technology installations and power generating plants; rental of construction tools and equipment; construction, installation, cleaning, maintenance and repair of metal production and metalworking facilities, plants, factories and production lines; installation, cleaning, maintenance and repair of metal production and metalworking machinery and equipment; consultancy and building construction supervision services in relation to the construction of metal production and metalworking facilities, factories and production lines; building, construction and demolition; rental of tools, machines and equipment for construction and demolition purposes; mining, and oil and gas extraction; rental, hire and leasing of goods in connection with the provision of the aforesaid services, included in this class; maintenance and repair of computers and hardware for computer systems; advise, consultancy and information for the aforesaid, included in the class.

Cl.42;Technical consultancy and planning and conducting technical project studies for industrial installations, power generating plants and environmental technology installations; scientific and industrial research and development, technical project planning on mining and steel works installations, machines, bridges, cranes and pipelines; drawing up of technical process models for industrial installations, power generating plants and environmental technology installations; technical planning and technological advisory services relating to data processing for industrial installations, metallurgical installations, environmental installations, power generation, distribution and transmission installations, and machines; technical project planning and computer project management in the field of electronic data processing [EDP] for financing, logistics, engineering and production; computer programming for controlling, regulating, simulating, visualising and monitoring parameters in industrial installations, environmental installations, power generation, distribution and transmission installations, and machines and parts therefor; project planning of data networks for industrial installations, metallurgical installations, environmental installations, power generation, distribution and transmission installations, and machines; rental of computer systems and computer software for controlling, regulating, simulating, visualising and monitoring parameters in industrial installations, environmental installations, power generation, distribution and transmission installations, and machines and parts therefor; installation and maintenance of computer software for controlling, regulating, simulating, visualising and monitoring parameters in industrial installations, environmental installations, power generation, distribution and transmission installations, and machines and parts therefor; creating Internet and intranet websites in the field of industrial installations, environmental installations, power generation, distribution and transmission installations, and machines; technical planning and design of electric installations; technological consultancy, except business consultancy, relating to system selection and design for industrial installations, environmental technology installations, power generating plants, water treatment and purification plants, steam generators, and waste gas and air purification installations; technical planning of fittings for primary and secondary emissions reduction measures, increasing the service life and level of automation of industrial and environmental technology installations and power generating plants; quality checking of products from industrial installations; carrying out of analyses on materials, waste water, waste gases and air; architectural design of metal production and metalworking facilities, plants, factories and production lines; designing of machines, apparatus, instruments including their parts; industrial design services; computer systems design services; engineering services; scientific research and consultancy services; provision of scientific information; quality control services; scientific analysis and testing services; electrical systems research; metallurgical consultancy services, namely metallurgical analysis, metallurgical testing, metallurgical laboratory services; research in the field of environmental management and protection services; IT services; software development, programming and implementation; computer hardware development; hosting services and software as a service and rental of software; rental of computer hardware and facilities; IT consultancy, advisory and information services; IT security.

protection and restoration; data duplication and conversion services, data coding services; computer analysis and diagnostic services; research, development and implementation of computers and computer systems; computer project management services; data mining; computer services, namely, computer programming, computer system design, computer design and development; technological services relating to computers; computer network services; updating of memory banks of computer systems; data migration services; updating websites for others; monitoring of computer systems by remote access; science and technology services; testing, authentication and quality control; design services; rental, hire and leasing of goods in connection with the provision of the aforesaid services, included in this class; advise, consultancy and information for the aforesaid, included in the class.

Cl.9;Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission or reproduction of sound or images; magnetic data carriers, recording discs; mechanisms for coin-operated apparatus; cash registers, calculating machines, data processing equipment and computers; computer software; computer programs; computer software in the form of an application for mobile devices and computers; software applications for use with mobile devices; software for processing electronic payments to and from others; computer software and software applications used in relation to financial services, financial transactions, electronic commerce, electronic payments, foreign currency exchange, trading and brokerage services and investment advisory services; authentication software; computer software and computer software applications (downloadable); instant messaging software; file sharing software; communications software for electronically exchanging data, audio, video, images and graphics via computer, mobile, wireless, and telecommunication networks; computer software for processing images, graphics, audio, video, and text; downloadable computer software to facilitate the electronic transmission of information, data, documents, voice, and images over the Internet; downloadable computer software which allows users to participate in web-based meetings and classes, with access to data, documents, images and software applications through a web browser; downloadable computer software for accessing, viewing, and controlling remote computers and computer networks; downloadable cloud-computing software; downloadable cloud-based software; computer software for tracking and evaluating customer and personal behaviour in relation to purchasing decisions; computer software application for use in relation to environmental conservation, climate change and carbon offsetting; online electronic publications (downloadable from the Internet or a computer network or a computer database); downloadable electronic publications in the nature of magazines, articles, brochures, leaflets, datasheets, information materials, instructional materials in the field of business, e-commerce, information technology, cloud computing, telecommunications, the Internet, business and e-commerce training, business, sales, marketing and financial management; computer peripherals; notebook computers; laptop computers; portable computers; handheld computers; personal digital assistants; personal media players; mobile telephones; smart phones; digital cameras; batteries, battery chargers; computer workstations; computer servers; computer and telecommunications networking hardware; computer network adaptors, switches, routers and hubs; wireless and wired modems and communication cards and devices; laptop holders, computer bags; fire-extinguishing apparatus; computer hardware and firmware; automobile navigation system; compact discs; digital music (downloadable from the Internet); telecommunications apparatus; mouse mats; mobile phone handsets; mobile phone accessories; downloadable games, pictures, motion pictures, movies and music; alarm systems; security cameras; mobile radio and television broadcasting units; television broadcasting equipment; cameras; video cameras; headphones; earphones; speakers; Global Positioning System (GPS) apparatus and equipment; computer, electronic and video games programmes and software (including software downloadable from the Internet); liquid crystal displays for telecommunications and electronic equipment; set top box; remote control apparatus; data storage programs; spectacles and sunglasses; electronic signboards; encoded

or magnetic bank credit, debit, cash, charge, telephone and identification cards; automatic teller machines, cash dispensers; electronic book readers; toner cartridges, unfilled, for printers and photocopiers; baby monitors; video baby monitors; lens hoods; tablet computers; encoded key cards; 3D spectacles; memory cards for video game machines; wearable computers, smart phones, monitors, displays, computer hardware, activity trackers, audio equipment, communications apparatus, telecommunication apparatus, computer peripheral devices, portable media players and digital electronic communication devices; wearable computers, smartphones, monitors, displays, computer hardware, activity trackers, audio equipment, communications apparatus, telecommunication apparatus, computer peripheral devices, portable media players and digital electronic communication devices, all for facilitating payment transactions by electronic means and to allow customers to access financial and bank account information and to transact bank business; wearable computers, smart phones, monitors, displays, computer hardware, activity trackers, audio equipment, communications apparatus, telecommunication apparatus, computer peripheral devices, portable media players and digital electronic communication devices, all capable of providing access to wireless communications networks, telecommunications networks and the Internet; downloadable mobile applications for use with wearable computers, smart phones, monitors, displays, computer hardware, activity trackers, audio equipment, communications apparatus, telecommunication apparatus, computer peripheral devices, portable media players and digital electronic communication devices; computer application software for use with wearable computers, smart phones, monitors, displays, computer hardware, activity trackers, audio equipment, communications apparatus, telecommunication apparatus, computer peripheral devices, portable media players and digital electronic communication devices; encoded or magnetic pre-paid payment, bank, credit, debit, cash and identification cards.

Cl.35;Advertising; business management; business administration; office functions; organization, operation and supervision of loyalty and incentive schemes; advertising services provided via the Internet; production of television and radio advertisements; accountancy; auctioneering; organization of trade fairs; opinion polling; data processing; provision of business information; advertising agency services; advertising services provided for others; database management; compilation of information into computer databases; business consulting services; business consulting services in the field of web based events, conferences, training programs, learning programs, and seminars; business consulting services in the field of delivering web-based knowledge; business consulting services in the field of online collaboration and collaboration technologies; business consulting services in the fields of sales and marketing; business project management services; business project management services relating to development, set up, staging, production, recording, monitoring and follow-up for web based events, conferences, training programs, learning programs, and seminars; market research and business consulting services; business consultancy services relating to facilitating the transaction of business via local and global computer networks by locating and providing referrals for the delivery of a wide variety of business and consumer products and services; dissemination of business information of goods and services of others via local and global computer networks; business consultancy services relating to providing a web site on a global computer network by which third parties can offer and source goods and services, place, determine the status of and fulfil trade leads and orders, enter into contracts and transact business; providing computerized online ordering services; advertising of goods and services of others via local and global computer networks; international import and export agency services; rental of advertising space on communication media; online trading services relating to electronic auctioneering and providing online business evaluation relating thereto; compilation of business directories of third party web sites to facilitate business transactions; business consultancy services relating to operating an electronic marketplace for the buyers and sellers of goods and/or services on a global computer network; business assistance relating to facilitating business transaction via local and global computer networks; corporate management consultancy services; marketing and promotion services; publication of publicity materials; marketing of vacant premises; dissemination of advertising materials, updating of advertising materials, compilation of advertisements for use as web pages on the Internet; rental of advertising space; computer data processing; sales, business and promotional information services; telephone answering (for unavailable subscribers); telephone answering (for others); auctioneering provided on the Internet; personnel management; provision of sales, business, advertising and promotional information through a global computer network and via the Internet; presentation of goods on communication media for retail purposes; retail and wholesale services of bleaching preparations and other substances for laundry use, leather bleaching preparations, fabric softeners for laundry use, cleaning, polishing, scouring and abrasive preparations, shining preparations [polish], abrasive cloth, polishing paper, glass cloth, glass paper, floor wax, shoe wax, polish for furniture and flooring, detergents other than for use in manufacturing operations and for medical purposes, dry-cleaning preparations,

canned pressurized air for cleaning and dusting purposes, color-removing preparations, varnish-removing preparations, wallpaper cleaning preparations, windscreen cleaning liquids, air fragrancing preparations, joss sticks, medicated soap, extracts of flowers [perfumes], massage gels other than for medical purposes, sunscreen preparations, sun-tanning preparations [cosmetics], lipsticks, lipstick cases, cosmetic preparations for skin care, cosmetic preparations for slimming purposes, adhesives for cosmetic purposes, nail care preparations, make-up removing preparations, shampoos, dry shampoos, shampoos for pets, hair lotions, aftershave lotions, shaving preparations, dentifrices, dental bleaching gels, mouth washes not for medical purposes, hair spray, hair dyes, antiperspirants [toiletries], deodorants for human beings or for animals, pharmaceutical and veterinary preparations, vaccines, sunburn ointments, sanitary preparations for medical purposes, sterilising preparations, solutions for contact lenses, panty liners [sanitary], remedies for foot perspiration, dietetic food and substances adapted for medical or veterinary use, yeast for pharmaceutical purposes, sugar for medical purposes, royal jelly dietary supplements, food for babies, dietary supplements for humans and animals, nutritional supplements, vitamin preparations, tanning pills, slimming pills, tobacco-free cigarettes for medical purposes, plasters, materials for dressings, surgical cloth [tissues], surgical implants [living tissues], material for stopping teeth, teeth filling material, dental wax, mouthwashes for medical purposes, disinfectants, preparations for destroying vermin, fungicides, herbicides, rat poison, repellents for dogs, telephones, mobile phone handsets, mobile phone accessories, electronic goods, namely, radios cameras, personal digital assistants (PDA), MP3 players, portable and handheld digital electronic devices for recording, organizing, transmitting, manipulating and reviewing audio files, mobile phones, portable electronic communications devices, cameras, compact disc players, video recorders and camcorders, telecommunications goods, computer hardware and computer software, batteries, battery chargers, apparatus and instruments for recording, receiving, transmitting and/or reproducing data, information, pictures, images and/or sound, surgical, medical, dental and veterinary apparatus and instruments, obstetric apparatus, X-ray apparatus for medical purposes, hot air therapeutic apparatus, electric blankets for medical purposes, testing apparatus for medical purposes, blood testing apparatus, hearing aids for the deaf, hearing protectors, massage apparatus, air pillows for medical purposes, air cushions for medical purposes, physical exercise apparatus for medical purposes, vaporizers for medical purposes, fumigation apparatus for medical purposes, thermal packs for first aid purposes, armchairs for medical or dental purposes, artificial limbs, eyes and teeth, orthopedic articles, suture materials, supportive bandages, surgical implants [artificial materials], babies' bottles, tongue scrapers, X-ray photographs for medical purposes, precious metals, jewellery, precious stones, printed matter, stationery, magnetically and non-magnetically encoded cards, furniture, picture frames, household and kitchen utensils, glassware, porcelain and earthenware, textiles, clothing, footwear, headgear, laces and embroidery, buttons, ribbons, pins and needles, artificial flowers, carpets, rugs, games and electronic toys, chemicals used in industry, science, photography and agriculture, paints, varnishes and lacquers, personal hygiene products, soaps, perfumery, cosmetics, hair and body lotions, essential oils, cleaning and bleaching preparations, lubricants, fuels, candles, pharmaceutical, veterinary and sanitary preparations, ironmongery and small items of metal hardware, electrical apparatus for the kitchen, electrical apparatus for domestic cleaning purposes, electrical apparatus for personal hygiene purposes and machine tools, cutlery, razors and hand tools, computers, calculating machines, photographic, cinematographic and optical apparatus and instruments, spectacles and sun glasses, surgical and medical apparatus and instruments, apparatus for lighting, heating, steam generating, cooking, refrigerating, drying, ventilating, water supply and sanitary purposes, vehicles, firearms, fireworks, silverware, horological and chronometric instruments, musical instruments, magazine, cards, books, pamphlets, posters, printed cards, circulars, catalogues, calendars, price tags, price labels, carrier bags of paper and cardboard, advertisement boards of paper or cardboard, postcards, greeting cards, containers of paper for packaging, paperboard boxes, paper bags and sacks, stickers (stationery), tissues and handkerchiefs made of paper, models and figurines made of paper, paper party bags, paper, cardboard, wrapping paper, paper cards, paper boxes, stationery, picture, typewriters and office requisites, packaging materials, rubber and plastics for manufacture use, packing and insulating materials, leather and imitations of leather and leather garments, leather belts, leather bags, leather covers for electronic devices, handbags, purses, wallets, leather holders, bags, luggage, umbrellas, mirrors, ropes, string, nets, tents, yarns and threads for textile use, coat hangers, place mats, dressmaker's articles, bed and table covers, playthings and sporting articles, foodstuffs and beverages, meat, fish, poultry, preserved, dried and cooked fruits and vegetables, jams and fruits sauces, eggs, milk and milk products, edible oils and fats, coffee, tea, cocoa, sugar, rice, flour, bread and cakes, condiments, fresh fruit and vegetables, beer, mineral water, fruit juices and other non-alcoholic drinks, alcoholic beverages, flowers, flower baskets, bowls and pots for flowers and plants, floral decorations, tobacco, smokers' articles and matches; direct mail advertising; buying

agency services and selling agency services for goods; selection of goods and procurement of goods for individuals and businesses; ordering services (for others); retail and wholesale services, online retail services, department store services, supermarket retailing services, all in relation to bleaching preparations and other substances for laundry use, leather bleaching preparations, fabric softeners for laundry use, cleaning, polishing, scouring and abrasive preparations, shining preparations [polish], abrasive cloth, polishing paper, glass cloth, glass paper, floor wax, shoe wax, polish for furniture and flooring, detergents other than for use in manufacturing operations and for medical purposes, dry-cleaning preparations, canned pressurized air for cleaning and dusting purposes, color-removing preparations, varnish-removing preparations, wallpaper cleaning preparations, windscreen cleaning liquids, air fragrancing preparations, joss sticks, soaps, medicated soap, perfumery, extracts of flowers [perfumes], essential oils, massage gels other than for medical purposes, sunscreen preparations, sun-tanning preparations [cosmetics], cosmetics, lipsticks, lipstick cases, cosmetic preparations for skin care, cosmetic preparations for slimming purposes, adhesives for cosmetic purposes, nail care preparations, make-up removing preparations, shampoos, dry shampoos, shampoos for pets, hair lotions, after-shave lotions, shaving preparations, dentifrices, dental bleaching gels, mouth washes not for medical purposes, hair spray, hair dyes, antiperspirants [toiletries], deodorants for human beings or for animals, pharmaceutical and veterinary preparations, vaccines, sunburn ointments, sanitary preparations for medical purposes, sterilising preparations, solutions for contact lenses, panty liners [sanitary], remedies for foot perspiration, dietetic food and substances adapted for medical or veterinary use, yeast for pharmaceutical purposes, sugar for medical purposes, royal jelly dietary supplements, food for babies, dietary supplements for humans and animals, nutritional supplements, vitamin preparations, tanning pills, slimming pills, tobacco-free cigarettes for medical purposes, plasters, materials for dressings, surgical cloth [tissues], surgical implants [living tissues], material for stopping teeth, teeth filling material, dental wax, mouthwashes for medical purposes, disinfectants, preparations for destroying vermin, fungicides, herbicides, rat poison, repellents for dogs, scientific, nautical, surveying, photographic, IR DIVISION

Cl.1;Chemical products for use in industry, science, photography, as well as in agriculture, horticulture and forestry; unprocessed artificial resins, unprocessed plastics; fire extinguishing and fire prevention compositions; tempering and soldering preparations; materials for tanning leather and animal skins; adhesives for use in industry; putties and other paste fillers; compost, animal manure, fertilizer; biological preparations for use in industry and science; chemical substances for preserving foodstuffs; tanning materials; chemical catalysts; sealing compound made of silicon, dioxide or titanium for industrial use for establishing and maintaining electrical conductivity between ducts, tubes and terminals.

Cl.2;Paints, varnishes, lacquers; preservatives against rust and against deterioration of wood; colorants, dyes; printing inks, marking inks and engraving inks; Unprocessed natural resins; metals in foil and powder form for painting, decoration, printing and works of art.

Cl.3;Non-medicated toiletry preparations and cosmetic products; non-medicated dentifrices; perfumery products, essential oils; bleaching preparations and other substances for laundry use; cleaning, polishing and abrasive preparations.

Cl.4;Candles for lighting, wicks for candles, gel wax for candles; industrial oils and greases, waxes; lubricants; dust absorbing, wetting and binding compositions; fuels (including motor spirit) and illuminants; candles and wicks for candles.

Cl.5;Pharmaceutical products, medical and veterinary preparations; sanitary products for medicine; dietetic substances and foodstuffs for medical or veterinary use, food for babies; food supplements for humans and animals; disinfectants; preparations for destroying vermin; fungicides, herbicides.

Cl.6;Construction materials of metal; transportable buildings of metal; non-electric cables and wires of metal; hardware of metal; metal storage or transport containers; safes; products made of common metals, not included in other classes; metal housings for electrical installations; pipes and tubes of metal; handling pallets of metal; sleeves of metal; metal valves and flow control valves; junctions of metal for pipes; metal fencing systems; steel transmission and distribution structures; galvanized and copper bars and couplings; frames of metal; metal components, couplings, joints and support brackets for cables and ducts; chests of metal; metal braces for carrying loads; wheel clamps of metal; binding screws of metal for cables; threaded fasteners of metal; metal support brackets for pipes; elbows of metal for pipes; sealing caps of metal; hose fittings of metal; flanges of metal (collars); nuts of metal; bolts of metal; box fasteners of metal; nozzles of metal; metal coverings; partitions of metal; metal adaptors for tubes; cable ribbons and collars (metal); corrugated tubes and pipes for protecting electric

cables; metal couplings and screw fastenings for cables, tubes and pipes; clips; metal couplings for tubes, pipes or corrugated tubes for protecting electric cables; cable joints of metal; junctions of metal; connection elbows or metal connection elbows for tubes, pipes or corrugated tubes for protecting electric cables; components and accessories for all the aforesaid goods; common metals and their alloys, ores.

Cl.7;Machines, machine tools and mechanical tools and their components; motors and engines and motor and engine parts other than for land vehicles; clutches and power transmission devices and their components, other than for land vehicles; agricultural implements other than hand-operated; ship propulsion mechanisms; water vehicle propulsion mechanisms; cranes (lifting and hoisting apparatus); mobile cranes; floating cranes; electric and power generators; electricity generators and current generators; handling and transport equipment and installations; couplings and clutches, other than for land vehicles; control apparatus for machines, driving motors or motors and engines; drives for machines; elevator drives; drives for conveyors; wind turbines generating electricity; turbines other than for land vehicles; wind turbines; lifts and lift controls; handling and transport apparatus; conveyors and belt conveyors; turbocompressors; pumps, compressors and blowing machines; mills (machines); drilling rigs, floating or non-floating; lifts (machines) and elevator control apparatus; robots; industrial robots; hydraulic and pneumatic couplings for pipes as parts of machines; components and accessories for all the aforesaid goods.

Cl.8;Hand-operated hand tools and implements; cutlery; side arms, other than firearms; razors; components and accessories for all the aforesaid goods.

Cl.9;Scientific, research, navigation, surveying, photographic, cinematographic, audiovisual, optical, weighing, measuring, signaling, detecting, testing and control apparatus and instruments, and their components; apparatus and instruments as well as their components for conducting, switching, transforming, accumulating, regulating or controlling the distribution or use of electricity; apparatus and instruments for sound, image or data recording, transmission, reproduction or processing; recorded or downloadable media, software, blank digital or analog recording and storage media; mechanisms for coin-operated apparatus; computers and computer peripheral devices; nautical, meteorological, automation, electric, analysis, diagnostic (other than for medical use), display, checking (supervision), monitoring, control, alarm and emergency apparatus, instruments and equipment, and components therefor; apparatus and instruments as well as their components for the production, processing, storage, transport, supply or measurement of the distribution or use of electricity; software (downloadable); tablet computers; data recorders; security, safety, protection and signaling apparatus, instruments and equipment; electric distribution boards and their components; sensors; tubes (electricity); pipework (electricity); cable sheaths (lines); magnetic recording media; chargers for electric batteries; electrical condensers [capacitors]; electric collectors with photovoltaic elements; terminals (electricity), electric wires, conduits and cables; inductors (electricity); electric and electronic apparatus, devices and instruments and their components for the production, distribution and supply of energy by photovoltaic installations; fuel cells; transformers; current inverters; current rectifiers; current converters; connectors (electricity); electric transistors, thyristors, diodes; semiconductor power elements; electric resistances; batteries (cells); electric apparatus; electric recloser; switches; rectifiers; electric relays; ducts [electricity]; electrical safety fuses and devices; distribution boxes [electricity]; distribution boards, racks and plates (electricity); mains distributors and sub-distributors for electrical energy; apparatus and devices for the transport, distribution and control of electric current; solar cells; solar modules; electric cables, electricity conduits and electric wires; electric converters; junction sleeves for electric cables; integrated circuits (chips); printed circuits; electric sockets; gauges; power modules (calculators); energy distribution boards and electric and electronic installations and their components for the remote control of lasers for automated industrial processes; plugboards and distribution consoles (electricity); electrical regulators; electric and electronic apparatus and devices, namely microcircuits, microchips (computer hardware), integrated circuits for defined use, custom integrated circuits and integrated circuits for specific applications; power supplies and their components; database and application integration software; interfaces (for computers); recorded data; radio broadcasting apparatus and equipment; communications equipment; data transmission networks; equipment for telecommunications; electronic, magnetic and optical storage media, floppy disks, compact disks, magnetic disks, optical disks; optical compact disks, data protection backup devices; semiconductor chips for storing technical data; downloadable electronic publications; data processing equipment; microprocessors; downloadable software applications for use with mobile devices; semiconductors; printed circuit boards; data backup devices; operating system programs for computers; modems; sensors, gateways and antennas for the Internet of Things (IoT); application computer software, particularly for implementing the Internet of Things (IoT); computer hardware modules intended for use in the Internet of Things (IoT); computer hardware

and software intended for use in electronic apparatus using the Internet of Things (IoT); computer hardware and software for data analysis, machine learning, automation processes and Internet of Things (IoT) applications; software enabling the implementation and provision of machine learning, artificial intelligence, analysis of large amounts of data in terms of relationships between the data and the analysis of the data; computer software development tools; electric and electronic regulators and control systems; application software for the Internet of things (IoT) and regulation and monitoring applications; computer servers; computer software platforms; downloadable software for blockchain technology; downloadable virtual goods, namely virtual goods in the fields of electrification, drive mechanisms, motors and engines, generators and mechanical transmission, automation products as well as downloadable digital files in the field of robotics, authenticated by non-fungible tokens (NFTs); control apparatus for controlling industrial robots; computer hardware and software for regulating and controlling industrial robots; software for the automation of robot processes for industrial automation; apparatus and instruments for controlling and regulating robots; educational robots; surveillance robots for security; application software for robots; electric control apparatus for robots; laboratory robots; humanoid robots with artificial intelligence for scientific research purposes; telepresence robots; charging stations for electric vehicles; electric accumulators for vehicles; interference suppression devices; storage devices for data processing systems; breakers (circuit breakers); voltmeters; automatic control apparatus for vehicles; high-voltage overhead lines; electric cables; transformers (electric); electric control units for machines and motors and engines; electrical and electronic control apparatus and instruments; nautical apparatus and instruments; sockets, plugs and other contacts [electric connections]; housings for electrical installations; components and accessories for all the aforesaid goods.

Cl.10;Surgical, medical, dental and veterinary apparatus and instruments; therapeutic and assistance devices designed for people with disabilities; massage apparatus; apparatus, devices and articles for child care; electric apparatus and instruments for medical use; electrodes for medical use; lasers for surgical, medical, dental and veterinary use; nanobots for medical use; surgical robots; robotic exoskeleton suits for medical use; sensors (measuring apparatus) for medical use; components and accessories for all the aforesaid goods.

Cl.11;Apparatus and installations for lighting, heating, cooling, steam generation, drying, ventilation and water supply; solar thermal collectors (heating); ventilating and air-conditioning installations; chromatography apparatus for industrial use; nuclear fuel processing and nuclear reaction braking installations; regulating and safety accessories for gas apparatus; lighting apparatus for use in hazardous and difficult environments, including large-area lighting, linear lighting, narrow/small lighting, emergency lighting, security lighting and floodlighting; components and accessories for all the aforesaid goods.

Cl.12;Vehicles; apparatus for locomotion by land, air or water; automated guided vehicles; robotic cars; electric cars; driving chains for land, air, sea and rail vehicles; aeronautical apparatus and machines; screw-propellers; vertical blade propellers; propellers for boats; hydraulic circuits for vehicles; transmission chains and bearings for transmission shafts for land vehicles; turbines for land vehicles; couplings for land vehicles; remote-controlled vehicles other than toys; components and accessories for all the aforesaid goods; electric motors and engines for cars; gear boxes for land vehicles; gearing for land vehicles; engines for land vehicles.

Cl.16;Printing products (printed matter); bookbinding material; stationery and office requisites, except furniture; drawing materials and materials for artists; paintbrushes; instructional or teaching material; printing type, printing blocks; adhesive labels, paper labels; stationery as well as teaching or instructional material; components and accessories for all the aforesaid goods; paper and cardboard; photographs; adhesives for stationery or household purposes; plastic sheets, films and bags for wrapping and packaging.

Cl.17;Non-metal flexible tubes, pipes and couplings; insulators; insulating foams; soundproofing materials; pipe joints not of metal; joints for tubes, pipes and corrugated pipes; plastic pipe couplings; connectors of plastic; non-metal elbows or coupling elbows for tubes, pipes or corrugated pipes for protecting electric cables; sleeves of plastic materials; materials, mainly made of plastic, for binding and identifying cables and wires; heat-shrinkable insulation sheaths for cables and wires; components and accessories for all the aforementioned articles; unprocessed and semi-processed rubber, gutta-percha, gum, asbestos, mica and substitutes for all these materials; semi-processed plastics and resins intended for use in production; caulking, packing and insulating materials; pipe sleeves, not of metal.

Cl.19;Non-metallic construction materials; non-metallic rigid pipes for building; transportable buildings not of metal; monuments not of metal; non-metal construction beams; advertisement columns, not of metal; beacons not of metal, non luminous; signaling panels and plates, non-

metal, non-luminous and non-mechanical; components and accessories for all the aforesaid goods; asphalt, pitch, tar and bitumen.

Cl.20;Furniture, mirrors, picture frames; transport or storage containers not of metal; non-metallic transport and handling pallets; plastic valves or flow control valves other than parts of machines; non-metal pipe and cable clamping collars; cotter pins, nuts, caps, socket head bolts, bolts, fittings, containers, boxes, not made of metal; components and accessories for all the aforesaid goods; unworked or semi-worked bone, horn, whalebone or mother-of-pearl; shells; meerschaum; yellow amber.

Cl.21;Household or kitchen utensils and containers; cooking utensils and tableware, except forks, knives and spoons; brushes, except paintbrushes; brush-making materials; cleaning material; unworked or semi-worked glass, except building glass; glassware.

Cl.25;Clothing, footwear, headwear.

Cl.35;Advertising; commercial business administration, organization and management; office functions; public relations; market studies; computerized file management services; collection, compilation, systematization and updating of data in computer databases; cost price analysis; advice on personnel management; business appraisal; economic forecasting; compilation of statistics; compilation of commercial efficiency reports and compilation of corporate efficiency reports; accounting; professional commercial resource planning; import-export agencies; opinion polling; organization of exhibitions for commercial or advertising purposes; computerized online ordering and shipping services for electric, electronic and lighting products, as well as related equipment and accessories, offered via a global computer network; wholesale or retail services, online or offline, for products connected with electrification, industrial automation, robotics and drives, motors and engines, generators, mechanical transmission products and integrated digital drive solutions; press relations services; organization, operation and monitoring of loyalty and incentive schemes; provision of business information; commercial lobbying services; company evaluation (benchmarking); providing commercial information and consumer information; advertising intermediary services related to the rental of advertising space in newspapers, brokerage and rental of advertising spaces on the Internet, services for preparing and concluding commercial transactions for third parties, commercial intermediation services, personnel recruitment and placement; commercial intermediary services in the field of group purchasing; business evaluation services; commercial analyses, commercial research and commercial information, particularly compliance assessment, commercial business assessment, corporate assessments and analyses; data processing and management; assessing commercial opportunities concerning commercial matters connected with corporate management; commercial and business networking; updating and maintenance of data in computer databases; statistical analyses and reporting services for commercial purposes; retail and wholesale services, including on the Internet for downloadable or non-downloadable virtual goods, namely virtual goods in the fields of electrification, drive mechanisms, motors and engines, generators and mechanical power transmission, automation and robotics products; retail and wholesale services, including on the Internet for downloadable or non-downloadable virtual goods, namely virtual goods in the fields of electrification, drive mechanisms, motors and engines, generators and mechanical transmission, automation and robotics products (authenticated by non-fungible tokens); retail and wholesale services, including on the Internet, for software, electric vehicles, components and accessories for electric vehicles; provision of information and advice relating to all the aforesaid services.

Cl.36;Financial, monetary and banking services; insurance services; real estate services; financial sponsorship; financial sponsorship; provision of information and advice relating to all the aforesaid services.

Cl.37;Construction services; installation and repair services; installation, servicing and repair services relating to products in the fields of electrification, industrial automation, robotics and drive mechanisms, motors and engines, generators, mechanical power transmission products and integrated digital drive solutions; maintenance, repair and installation of industrial equipment and power lines; maintenance, repair and installation of computers and computer network equipment; underwater construction; maintenance, installation and repair of computer hardware and computer network installations; mining of natural resources; project management in the field of construction (works supervision); installation, repair and servicing of measuring apparatus and instruments; rental of industrial robots intended for use in the context of construction, repair, maintenance and installation services; servicing and repair services for vehicles; repairing, servicing, refueling and recharging electric vehicles; installation, repair and servicing works relating to charging stations for electric vehicles; installation, servicing, repair and troubleshooting of electric machines and equipment; pipeline construction and

maintenance; installation, maintenance, repair and update of computer hardware; provision of information and advice relating to all the aforesaid services.

Cl.38;Telecommunications; data transmission services, particularly via global computer networks; providing access to computer databases and information via global computer networks; provision of access to global computer networks; electronic message sending and receiving services; communication through networks; transmitting sound, images, signals and data through networks; wireless broadcasting services for radio and television programs; providing Internet access services; providing access to electronic communication services; provision of access to data on computer networks; transmitting messages, data and content on the Internet and other computer and communication networks; creating access to computer databases; rental of access time to databases; providing connections between computer hardware and network equipment and the cloud; provisding connections between information technology systems and operational technology systems; press and information agency services (news); broadcasting of radio and television programs; providing telecommunications connections to a global computer network; provision of user access to computer programs in data networks; provision of video conferencing services; wireless mobile telephone services; computer-aided transmission of messages and images; paging services (radio, telephone or other electronic means of communication); satellite transmission; telephone services; telephone exchange switching services (telecommunications); rental of telecommunication equipment; rental of message sending apparatus; rental of access time to global computer networks; telematic services; sending data and transmitting documents by telematic services; providing access to platforms and portals on the Internet; transmission of podcasts; provision of information and advice relating to all the aforesaid services.

Cl.39;Transport; packaging and storage of merchandise; travel organization; distribution and transport of energy and electricity; distribution of water and gas; delivery of merchandise; freighting; unloading; transport by pipelines; transport and storage of waste; machine and container filling services; chauffeur services; piloting; parking services; vehicle rental; fleet vehicle managment using navigation and positioning apparatus; logistics services with respect to transport; car-sharing services; organization of passenger transport services for third parties via an online application; electricity storage (warehousing); provision of information with respect to traffic; business removal services; provision of information and advice relating to all the aforesaid services.

Cl.40;Treatment of materials; recycling of trash and waste; air purification and water treatment; printing services; food and beverage preservation; treatment of waste and hazardous substances; production of energy; waste treatment, oil treatment; air treatment; air purification, air freshening; refining services; rental of power generators; sorting waste and recyclable materials; custom manufacture of transportable prefabricated houses; custom manufacture of housings for electrical installations; energy treatment and transformation; rental of equipment for energy production; rental of industrial robots for industrial production; provision of information and advice relating to all the aforesaid services.

Cl.41;Education; training; entertainment; sporting and cultural activities; provision of courses through an online platform; electronic desktop publishing; publication of books; publishing texts (excluding publicity texts); editing services, other than printing; drafting and publishing of texts other than advertising texts; organizing training, seminars, conferences, workshops, events and exhibitions; provision of non-downloadable electronic publications online; organizing exhibitions for scientific purposes; podcast production; publication of statistics; provision of information and advice relating to all the aforesaid services.

Cl.42;Scientific and technological services as well as research and design services relating thereto; industrial analysis, industrial research and industrial design services; quality control and authentication services; design and development of computers and software; information technology services; industrial research, advice, planning and design of industrial installations; testing of materials; underwater and underground exploration; advice in the field of environmental protection; architectural services; engineering; energy auditing; monitoring and control of industrial processes; information technology monitoring of industrial sites and power plants; technical measuring and testing services; computer technology advisory services in the field of data and Internet security; research, design and development of production lines, machines, industrial robots, robots as well as computer software and hardware for the control and provision of production lines, machines, machine tools, robots and industrial robots; technological advice with respect to production lines, machines, industrial robots, robots, computer hardware and software and industrial automated logistics; Software as a Service (SaaS); temporary provision of online non-downloadable operating software for accessing and using a cloud computing network; hosting of platforms on the Internet; creation of data processing programs; software as a service (SaaS) with machine learning software, data

retrieval, data analysis and artificial intelligence services; providing technical information on the use of computers, computer hardware, software and computer networks; configuration, installation, maintenance, troubleshooting, repair and updating of software; computer Platform as a Service (PaaS); cloud computing; providing online non-downloadable cloud-based software; providing non-downloadable software applications for use with mobile apparatus; provision of computer programs on data networks, particularly on the Internet and the World Wide Web; design and development of computer hardware and software for industrial applications; industrial analysis services; services of a network engineer, including advice with respect to computer and network security; scientific and industrial research and advice with respect to network technology; artificial intelligence research; technological advice on artificial intelligence; software as a service (SaaS) with computer software platforms for artificial intelligence; Engineering in relation to robotics; designing and developing computer software for industrial automation; software as a service (SaaS) in the field of industrial automation; providing technical advice relating to computer hardware and software, particularly in the field of industrial automation; server hosting; authentication of data via a blockchain; data storage via a blockchain; certification of data via a blockchain; Blockchain as a Service (BaaS); user authentication using blockchain technology; hosting non-rechargeable virtual goods, namely virtual goods in the fields of electrification, drive mechanisms, motors and engines, generators and mechanical transmission, automation and robotics products; providing non-downloadable digital files authenticated by non-fungible tokens [NFTs]; technical advice concerning solar energy installations, photovoltaic installations and charging stations for electric vehicles; providing scientific information and technological advice with respect to e-mobility; industrial design services; packaging designer services; quality control; underwater exploration; engineering consultancy on environmental impact, advice with respect to energy saving, technical advice on energy-saving measures, technical advice in the field of energy saving and energy efficiency; carrying out chemical analyses; oil prospecting; oil-well testing; conducting analyses for oil extraction services; conducting appraisals on oil reserves; services provided by a physicist; technical advice with respect to computers; recovery of computer data; software maintenance; computer system analysis; research and development of new products; research in the field of technology and engineering; developing technical instruction manuals; engineering, including engineering advice; construction work planning; technical project planning and advice relating thereto; rental of computer software and data processing equipment; provision of information and advice relating to all the aforesaid services.

Cl.43;Services for providing food and beverages.

Cl.44;Medical services; veterinary services; hygienic and beauty care for human beings or animals; agriculture, aquaculture, horticulture and forestry services.

Cl.45;Legal services; security services for physical protection of property and individuals; licensing services for industrial and intellectual property rights; legal services relating to patent exploitation; standards and practices examination services for participants in a certification program in order to check their compliance with energy saving standards, environmental standards, laws and regulations; Lobbying services other than for commercial purposes; court and out-of-court dispute resolution services; provision of information and advice relating to all the aforesaid services.

Cl.6;Metal materials for building or construction; sliding bearings of metal for building or construction and their parts and fittings; metal plates of sliding bearings for building or construction; metal bearing for building or construction; metal pulleys, springs and valves [not including machine elements]; springs [metal hardware]; metal junctions for pipes; metal fittings for pipes; metal rings for stuffing; rotating junctions of metal for pipes; fittings of metal for plumbing, namely metal fixtures to flexibly support expansion and contraction of pipes consisting of U-bolt and support plate attached to the U-bolt; protective covers of metal for metal pipe fittings and non-metal pipe fittings which flexibly support expansion and contraction of pipes; bolts of metal; insulated bolts of metal; sealing caps of metal; reservoirs of metal; loading and unloading pallets of metal; loading pallets of metal; turn-tables for load handling; traversers for load handling; artificial fish reefs of metal; fittings of metal for building; building materials of metal; brackets of metal for building; reinforcing materials of metal for building; railway material of metal; junctions of metal for pipes; rings of metal; plugs of metal; lids of metal; tanks for mechanical seals of metal; sliding materials for mechanical seals; bellows of metal; dampers of metal; metal dampers for building or construction; friction sloped slide bearings of metal for building or construction; sleeves [metal hardware]; metal mesh; U-bolts of metal; metal sleeves for mechanical seals; valves of metal, other than parts of machines; pulleys of metal, other than for machines; flanges of metal [collars]; common metals and their alloys, ores; metal materials for building and construction; transportable buildings of metal; non-electric cables and wires of common metal; small items of metal hardware; metal containers for storage or transport; safes; U-bolts of metal for marine vessels; vibration control dampers of metal; flexible seals of metal; split ring seals of metal; clearance seals of metal; gas seals of metal; seal rings of metal; metal friction slope slide bearing for building and construction and for building industrial installations being metal structures; sliding bearing materials of metal for building and construction and for building industrial installations being metal structures.

Cl.7;Metalworking machines and tools; parts and fittings of metalworking machines and tools; loading-unloading machines and apparatus; automatic warehousing systems, namely, industrial robots, conveying machines, sensor-controlled sorting machines and loading and unloading machines; chemical processing machines and apparatus; parts and fittings of chemical processing machines and apparatus; heat exchangers, parts of machines for chemical processing; agitators [for chemical processing]; agitators; agitators for circulating liquid media; mixing or blending machines [for chemical processing]; mixing machines; food or beverage processing machines and apparatus; pulp making, papermaking or paper-working machines and apparatus; plastic processing machines and apparatus; compression moulding machines; extrusion moulding machines; injection moulding machines; moulds being parts of machines for processing plastics; semiconductor manufacturing machines; parts and fittings of

semiconductor manufacturing machines; semi-conductor substrates manufacturing machines; fluid-supplying pumps for semiconductor manufacturing machines; washing apparatus for semiconductor manufacturing machines; parts and fittings of washing apparatus for semiconductor manufacturing machines; resin parts and fittings of washing apparatus for semiconductor manufacturing machines; control mechanisms for semiconductor manufacturing machines; resin parts and fittings of semiconductor manufacturing machines; semiconductor wafer processing machines; machines and apparatus for use in the manufacture of printed circuit boards; machines and apparatus for manufacturing rubber goods; non-electric prime movers, not for land vehicles; parts of non-electric prime movers; turbines, not for land vehicles, other than water mills and wind mills; turbines, other than for land vehicles; heat exchangers, parts of semiconductor manufacturing machines; heat exchangers, parts of washing apparatus for semiconductor; sealing joints [parts of engines]; pneumatic or hydraulic machines and instruments; pneumatic machines and instruments; electric-drive, magnetically-driven, compressed gas-driven or air-driven pumps; centrifugal pumps; centrifugal pumps; reciprocating vacuum pumps; rotary pumps; axial flow pumps; mixed flow pumps; vacuum pumps; reciprocating vacuum pumps being parts of machines; rotary vacuum pumps; diffusion pumps; magnetic levitation pumps; pumps utilizing magnetic force; pumps equipped with magnetic bearings; pumps with magnetically supported rotors being parts of machines; motors equipped with magnetic bearings; motors the rotor of which is supported by magnetic force; parts and fittings of electric-drive, magnetically driven, compressed gas-driven or air-driven pumps; diaphragm pumps; chemical-liquid refilling pumps; low pulse pressure pumps; hydraulic accumulators being parts of low pulse pressure pumps; pumps as parts of machines, and their parts and fittings; diaphragms and pistons as parts of diaphragm pump; metering pumps; compressed air pumps; fluid pumps; liquid pumps; slurry pumps; bellows pumps; circulating pumps; pumps with mechanical seals; compressors being machines; plastic piston rings, other than parts of engines; plastic piston rings [parts of machines]; repairing or fixing machines and apparatus; machine elements, not for land vehicles; shafts, axles or spindles, machine elements other than land vehicles; bearings, machine elements not for land vehicles; shafts, couplings or connectors, machine elements not for land vehicles; fluid bearing units and fluid bearing spindles, not for land vehicles; sliding bearings [parts of machines]; power transmissions and gearing, machine elements not for land vehicles; rotary joints [parts of machines]; fluid couplings being parts of machines; brakes, machine elements not for land vehicles; valves being parts of machines; plastic valves for semiconductor or liquid crystal manufacturing machines, machine elements not for land vehicles; pressure regulators [parts of machines]; valve seat for valves being parts of machines; fluid circulation apparatus equipped with mechanical seals for agitators; forcible fluid circulation apparatus equipped with mechanical seals for agitators; fluid circulation apparatus equipped with mechanical seals for kneading machines; forcible fluid circulation apparatus equipped with mechanical seals for kneading machines; fluid circulation apparatus equipped with mechanical seals for pneumatic or hydraulic machines and instruments; forcible fluid circulation apparatus equipped with mechanical seals for pneumatic or hydraulic machines and instruments; fluid circulation apparatus equipped with mechanical seals for plastic processing machines; forcible fluid circulation apparatus equipped with mechanical seals for plastic processing machines; fluid circulation apparatus equipped with mechanical seals for metalworking machines and tools; forcible fluid circulation apparatus equipped with mechanical seals for metalworking machines and tools; fluid circulation apparatus equipped with mechanical seals for food processing machines and apparatus; forcible fluid circulation apparatus equipped with mechanical seals for food processing machines and apparatus; non-contact conveyance apparatus, and their parts; pneumatic transporters; floating conveyance apparatus, and their parts and fittings; pulp making, papermaking or paper-working machines and apparatus, and their parts and fittings; plastic processing machines, and their parts and fittings; non-contact suction disk for adsorbing a silicon wafer, a liquid crystal glass and film, incorporated in cutting machines, conveyance apparatus for semiconductor wafer and liquid crystal glass; suction disk for cutting machines, conveyance apparatus; contact-type or noncontact-type grasping device for holding a silicon wafer, a liquid crystal glass and film, incorporated in cutting machines, conveyance apparatus for semiconductor wafer and liquid crystal glass; grasping device for cutting machines, conveyance apparatus; contact-type or noncontact-type correcting apparatus for plate members of a silicon wafer, a liquid crystal glass and film, incorporated in cutting machines, conveyance apparatus for semiconductor wafer and liquid crystal glass; correcting apparatus for cutting machines, conveyance apparatus; air bearings; floating conveyance apparatus for plate members of sheet glass, glass for display, films and silicon wafers; static pressure gas bearings being parts of machines; precision suction disk made of carbon for adsorbing a silicon wafer, a liquid crystal glass and film, incorporated in cutting machines, conveyance apparatus and tape mounting device for semiconductor wafer and liquid crystal glass; precision suction disk made of carbon being parts of machines; construction machines

and apparatus; lumbering, woodworking, or veneer or plywood making machines and apparatus; printing or bookbinding machines and apparatus; agricultural machines and agricultural implements, other than hand-operated; industrial fishing machines; glassware manufacturing machines and apparatus; tobacco processing machines; painting machines and apparatus; rotary unions [parts of machines]; mechanical sealing device; shock absorbers, machine elements not for land vehicles; springs [parts of machines]; springs, machine elements not for land vehicles; air springs, machine elements not for land vehicles; spring shock absorbers, machine elements not for land vehicles; spring-assisted hydraulic shock absorbers, machine elements not for land vehicles; apparatus for machining; fittings for mechanical sealing device; heat exchangers for mechanical sealing device; tanks for mechanical sealing device being parts of machines; fluid delivery devices being parts of machines; gas and liquid delivery devices being parts of machines; liquid delivery devices being parts of machines; chemical material delivery devices being parts of machines; manifolds being parts of machines; manifolds for fluid dispensing machines for industrial purposes; valve-manifold box, namely, control mechanisms for machines for controlling the flow such as flow rate or pressure of fluid, gas or liquid; jigs for plastic processing machines; jigs for metalworking machines and tools; diamond-coated mechanical seal device being parts of machines; pistons [parts of machines or engines]; piston rings; bellows; damper devices being parts of machines; hydraulic accumulators for pumps being parts of machines; neutralizing pipe joints being parts of machines; neutralizing pipe fittings being parts of machines; apparatus for generating microbubbles; low pulsation pumps; low pulsation bellows pumps; dispense pumps; filters for chemical processing machines and apparatus; pump diaphragms; valve diaphragms; separating machines [for chemical processing]; cyclone separators; equalizers for attachment devices of mechanical seals being parts of machines; cooling radiators; liquid cooling radiators; arc welding machines; electric metal cutting machines (by arc, gas or plasma); electric welding apparatus [for metalworking]; fuel dispensing machines for service stations; bellows being parts of machines; mechanical seals of metal being parts of machines; sliding materials for mechanical seals being parts of machines; mechanical seals of metal with a fluid circulation function being parts of machines; fittings for mechanical seals of metal being parts of machines; heat exchangers for mechanical seals of metal being parts of machines; diamond-coated mechanical seals being parts of machines; sleeves for mechanical seals, not of metal; fittings for mechanical sealing device, not of metal; non-metallic mechanical seals incorporating heat exchangers being parts of machines; tanks for non-metal mechanical seals being parts of machines; rotary joints being parts of industrial machines; resin pipes for heat exchangers being parts of machines; resin tubes for heat exchangers being parts of machines; mechanical seals, not of metal being parts of machines; compressed gas-driven or air-driven accumulators, not of metal being parts of machines; hydraulic accumulators being parts of machines; segment seals of metal; rotary unions being parts of industrial machines.

Cl.8;Fitting and removing tools for gland packings, not of metal being hand tools; mounting tools for component for pipe joints, not of metal being hand tools; mounting tools for component for pipe couplings, not of metal being hand tools; fitting and removing tools for gland packings being hand tools; mounting tools for components of pipe joints being hand tools; mounting tools for components of pipe couplings being hand tools.

Cl.10;Medical apparatus and instruments; therapeutic apparatus and instruments; medical tubing; piping for dialyzers; tubing for dialyzers; couplings for dialyzers; fittings for dialyzers; couplings specifically adapted for medical apparatus; medical apparatus and their parts; medical filters; mechanical seals specifically adapted for medical apparatus; rotary joints specifically adapted for medical apparatus; rotary unions specifically adapted for medical apparatus.

Cl.11;Heat exchangers, other than parts of machines; water purifying apparatus for industrial purposes; water purifying apparatus; tap water faucets; level controlling valves for tanks; pipe line cocks; water conduits installations; regulating and safety accessories for water apparatus; heat exchangers for chemical processing; drying apparatus for chemical processing; recuperators for chemical processing; steamers for chemical processing; evaporators for chemical processing; distillers for chemical processing; industrial air purifiers; air conditioners for industrial purposes; industrial-water purifying apparatus; tap-water purifying apparatus; washers for water taps; sterilisers; water sterilisers; air sterilizers; membranes for reverse osmosis units; reverse osmosis membrane filters for water treatment; water filtering apparatus; filters for water filtering apparatus; membranes for water filtering apparatus; heating elements; cooling appliances and installations; ionization apparatus for the treatment of air or water; air filtering installations; air deodorising apparatus; safety accessories for water or gas apparatus and pipes; regulating accessories for water or gas apparatus and pipes; membrane filtration apparatus; filter filtration units for water treatment apparatus; microbubble generators; filters for

air purifiers; filters for wastewater treatment apparatus; filters for water purifying apparatus; sterilisers for medical instruments; fireplugs.

Cl.12;Mechanical elements for land vehicles; non-electric prime movers for land vehicles, not including their parts; shafts, axles or spindles, machine elements for land vehicles; bearings, machine elements for land vehicles; shaft couplings or connectors, machine elements for land vehicles; power transmissions and gearing, machine elements for land vehicles; fluid couplings, machine elements for land vehicles; shock absorbers, machine elements for land vehicles; springs, machine elements for land vehicles; air springs, machine elements for land vehicles; spring shock absorbers, machine elements for land vehicles; spring-assisted hydraulic shock absorbers, machine elements for land vehicles; buffers for railway rolling stock; shock absorbing springs for vehicles; suspension shock absorbers for vehicles; vehicle suspension springs; brakes, machine elements for land vehicles; cone brakes, machine elements for land vehicles; disc brakes, machine elements for land vehicles; band brakes, machine elements for land vehicles; block brakes, machine elements for land vehicles; bicycle brakes; vessels and their parts and fittings, other than air cushion vehicles; aircraft and their parts and fittings; railway rolling stock and their parts and fittings; automobiles and their parts and fittings; two-wheeled motor vehicles, bicycles and their parts and fittings; plates of sliding bearings for railways; shock absorbers for cars; shock absorbers for land vehicles; sliding bearings, machine elements for land vehicles; bearings [parts of vehicles].

Cl.17;Mica [raw or partly processed]; seals; waterproof sealants; dust proofing sealants; sealant compounds for joints; pipe joint sealant; bonded seals; adhesive sealant compounds; mechanical seals with a fluid circulation function, not of metal; segment seals, not of metal; flexible seals, not of metal; split ring seals, not of metal; clearance seals, not of metal; gas seals, not of metal; stern tube seals, not of metal; resin seals; fluororesin seals; seals for pipes; annular seals; gaskets, not of metal; joint packings, not of metal; seal rings as joint packings; joint packings in sheet form, not of metal; annular packings for pipes; joint packings of resin; joint packings of fluororesin; packings for pipes; annular packings; O-rings; O-rings of resin; O-rings of fluororesin; O-rings for pipes; sealing rings, not of metal; sealing rings for use as a joint packings for a rotating shaft, not of metal; sealing rings for mechanical seals, not of metal; stuffing rings, not of metal; pipe fittings of polytetrafluoroethylene for fluid transfer; junctions for pipes, not of metal; fittings for pipes, not of metal; junctions of resin, for pipes; fittings of resin, for pipes; junctions of fluororesin, for pipes; fittings of fluororesin, for pipes; parts of junctions for pipes, not of metal; parts of fittings for pipes, not of metal; parts of junctions made of resin, for pipes; parts of fittings made of resin, for pipes; parts of junctions made of fluororesin, for pipes; parts of fittings made of fluororesin, for pipes; junctions for pipes, not of metal; junctions made of plastic or resin, for pipes; pipe jointing compounds, not of metal; pipe jointing compounds of resin; pipe jointing compounds of fluororesin; jointing compounds of resin; jointing compounds of fluororesin; pipe muffs, not of metal; static seals; dynamic seals; gaskets of metal; non-metallic fittings for pipes; electrical insulating materials; electrical insulating materials of resin; washers of rubber or vulcanized fiber; chemical fiber, not for textile use; graphite yarns, not for textile use; expansion graphite yarn, not for textile use; polyimide filament yarn for packings, not for textile use; chemical fiber yarn for packings, not for textile use; semi-synthetic fiber yarn for packings, not for textile use; graphite yarns for packings, not for textile use; expansion graphite yarns for packings, not for textile use; industrial packaging containers of rubber; shock-absorbing buffers of rubber; rubber stoppers; rubber lids and caps for industrial packaging containers; rubber lids and caps for industrial purposes; adhesive tapes, other than stationery and not for medical or household purposes; copper clad laminates and multi-layer boards being plastic sheets as base materials for use in manufacture of printed wiring; plastic semi-worked products; plastic films, other than for wrapping and packaging; plastic films material; plastic film sheets; plastic semi-worked products in sheet form; boards and plates of plastics; flexible tubes made of plastic; plastic laminate for use in manufacture; flexible tubes, not of metal; rubber [raw or semi-worked]; flexible tubes of resin; valves of rubber or vulcanized fiber [not including machine elements]; plastic sealing strips; seals, non-metallic, for joints; oil seals; pipe gaskets; pipe jackets, not of metal; joint packings for pipes; joint packings for pipes; reinforcing materials, not of metal, for pipes; fittings, not of metal, for rigid pipes; water-tight rings; stuffing rings; fittings, not of metal, for flexible pipes; waterproof packings; electrical insulating tapes; electrical insulating mica products; electrical insulating paper products; electrical insulating rubber products; electrical insulating fabric products; synthetic fibers, not for textile use; regenerated fibers, not for textile use; semi-synthetic fibers, not for textile use; rock wool; slag wool; rubber thread and covered rubber yarn, not for textile use; chemical fiber yarn and thread, not for textile use; synthetic fiber thread and yarn, not for textile use; regenerated fiber thread and yarn, not for textile use; semi-synthetic fiber thread and yarn, not for textile use; semi-processed plastic materials in the form of tapes and strips; semi-processed plastic materials in the form of pipes and tubes; laminated boards of plastics for use

in manufacture; semi-processed plastic materials in the form of boards; fiber-reinforced plastic boards for use in manufacture; semi-processed plastic materials in the form of rods and bars; semi-processed plastic materials in the form of fibers; synthetic resins, semi-processed; synthetic rubber; fluoro rubber; soundproofing materials of rock wool, not for building purposes; fittings, not of metal, for compressed air lines; packing [cushioning, stuffing] materials of rubber or plastics; flexible hoses, not of metal; cotton packings; joint packings made of cotton; paper packings; joint packings made of paper; rubber packings; fittings for mechanical seals, not of metal; electromagnetic wave shielding materials; electromagnetic wave shielding materials for automobiles; electromagnetic wave shielding materials for electric vehicles; seals for shielding electromagnetic wave; expansion graphite seals; expansion graphite seals for shielding electromagnetic wave; electromagnetic wave shielding plastics; electromagnetic wave absorbing sheets; plastic sheets for shielding electromagnetic wave; plastic films for shielding electromagnetic wave; resin pipes for heat exchangers; resin tubes for heat exchangers; non-metallic fittings for pipes; neutralizing pipe joints, not of metal; neutralizing pipe fittings, not of metal; fluid gaskets; flexible plastic tubes having multilayer properties; copper clad laminates made of epoxy resin; copper clad laminates made of fluororesin; laminates made of plastic foils; flexible laminates for use in manufacture of printed circuit boards; high frequency plastic laminates as base materials for electronic circuits; gaskets for electric vehicles; rubber seals; joint packings of metal; vibration control dampers of resins; vibration control dampers of carbon.

Cl.19;Building materials, not of metal; pilings, not of metal for building and construction; pile bearing materials, not of metal for building and construction; ceramic building materials, bricks and refractory products; non-metallic bearings for building or construction; resin bearings for building or construction and their parts and fittings; sliding bearings of rubber for building or construction; sliding bearings for building or construction, not of metal; sliding bearings of resin for building or construction; bearings primarily of plastic for building or construction; bearings primarily of plastic for use in bridge construction; sliding bearings primarily of plastic for building or construction and their parts and fittings; sliding bearings primarily of plastic for use in bridge construction; building materials of plastic for seismic isolation; bearings primarily of rubber for building or construction and their parts and fittings; bearings primarily of rubber for use in bridge construction; sliding laminated rubber bearing materials; laminated rubber bearings for seismic isolation of buildings; friction slope slide bearing, not of metal for building and construction and for building industrial installations being non-metallic structures; sliding bearing materials, not of metal for building and construction and for building industrial installations being non-metallic structures; resin building or construction materials; rubber building or construction materials; rubber building materials for seismic isolation; synthetic building materials for seismic isolation; plastic building materials; synthetic building materials; asphalt, and asphalt building or construction materials; plaster for building purposes; lime building or construction materials; building or construction materials of plaster; prefabricated building assembly kits, not of metal; buildings, not of metal; cement and its products; non-metal pickets; pickets of concrete; building timber; building glass; non-metallic minerals for building or construction; framework, not of metal, for building; water-pipe valves, not of metal or plastics; water-pipes, not of metal; drain pipes, not of metal; brackets, not of metal, for building.

Cl.20;Valves of plastics, not including machine elements; angle valves of plastics, other than machine elements; ball valves of plastics, other than machine elements; cocks of plastics, other than machine elements; automatic control valves of plastics, other than machine elements; butterfly valves of plastics, other than machine elements; water-pipe valves of plastic; nails, wedges, nuts, screws, tacks, bolts, rivets and casters, not of metal; washers, not of metal, not of rubber or vulcanized fiber; plugs [dowels], not of metal; industrial packaging containers of plastics [not including plastic stoppers, lids, covers and bottles]; corks, plastics and wooden stoppers for industrial packaging containers; plastic and wooden lid and covers for industrial packaging containers; joinery fittings, not of metal; clamps made of plastic or resin, for pipes; non-metal pipe joints being parts of clamps, not of metal; U-bolts, not of metal.
